## From The Headmaster: *Dr John Goddard*

What a splendid time it has been! We have had the Year 6 - Year 7 (2008) orientation, a day for students and an evening for parents, and both occasions were energetic and positive. I must commend the Arndell Year 6 students, who approached their orientation day in excellent spirit: they mixed with the newcomers, entered into the activities, asked good questions and gave a good account of themselves. They were a credit to the hard work of Mrs Sanderson and Mr Walker with them this year. So many of them had been in "Aladdin" only last week, and it was just marvellous to reflect on how well they could move between such different activities and show us such a range of skills.

Our own Year 7 and 8 students have been in exams this week, with Year 9's commencing on Friday and running into next week. Mrs Dean, and others supervising in the exam hall, have commented on how well the students have behaved and coped with the routine of exams. Of course exams don't tell you all you need to know about a student; but we take them seriously and have been very gratified to see students doing so too.

I have been delighted to hear of the exploits of Mitchell Waltho (Year 8) in the International Solar Boat Challenge. Mitchell has entered in the secondary schools division, as a one-man team; he has done all the design work and building and operating of his boat and has moved from the state competition to the Nationals, at Penrith Lakes this weekend. Only nine competitors/teams made it to Nationals and of some 40 NSW entrants, and this is a very fine achievement by Mitchell. We congratulate him most warmly and look forward to hearing how he goes at National level.

At a time of exams, a time when we tend (too easily?) to think in terms of marks instead of broader forms of measurement, it may be valuable to reflect on the deep meaning of the following verses:

Wisdom is supreme: therefore get wisdom. . . .

I guide you in the way of wisdom and lead you along straight paths . . .

Hold on to instruction, do not let it go; guard it well, for it is your life.

The fear of the Lord is the beginning of wisdom.

(From Proverbs, 4; and Psalm 111)

## *From the Deputy Head: James Webb*

Term 4 is well underway and will be a very busy time for all concerned. This week has seen Year 7, 8 and 9 exams come and go and we have been very pleased with the way in which the students have tackled the challenge. Such a short term and such a great deal to cram in!

Tuesday saw our new Year 7's for 2008 spend a full and eventful day investigating all of the wonderful possibilities that will be available to them next year. A daunting task for some but with the wonderful support of our student leaders team they managed to survive the day. On that note I would like to commend to you our leaders led by Ellen Nichols and James Mitchell-Hill Miller. They worked so wonderfully well with the new students, buddied up with them and talked though a number of real issues faced by all new students. Well done to all.

Year 12 HSC exams are well under way and a significant number of staff are marking at HSC or School Certificate level. This will mean that many staff will leave at 2.30 to get to their various marking venues. They will then mark until 9.00pm. Please be gentle with them at this time – it really is full on. The benefits however for our students are enormous.

A big thankyou to Mr. Bust – Maintenance Staff for the enormous amount of help given on the Orientation Day – you were awesome!!

### **Students Absence:**

As per the guidelines please ensure that your child, when returning from illness, carries with them a note from home. We have a legal responsibility to account for all of our students – help us to achieve this.

### **Parent Alert:**

Just a reminder of the new system which seems to be working well. If we detect a concern with your child we will give a quick call to let you know that we are dealing with it – and will keep you informed if we can't solve the problem.

### **Uniform etc.**

The old chestnut again but one that we must keep on about. We are starting to see a number of students sporting multicoloured hair and whilst the sun may bleach or lighten hair I have not known the sun to turn a student's hair shades of pink!!!! As parents I am afraid it is your responsibility to ensure that your child conforms to College guidelines.

Don't forget the College Fun Day on the 17<sup>th</sup> November.

Have a great weekend.

## *From the Head of the Junior School: Rick Harrison*

In last week's newsletter, I mentioned how well the cast had done in the first performance of Aladdin. I was able to be there for all four performances and I must say that each and every one of them was both impressive and entertaining. Those students who had the main parts managed to improve each time they took to the stage and the final performance on Friday evening was magnificent. They were, of course, ably assisted in each performance by the remainder of the cast. Congratulations to all, whether you were involved as cast or crew or in any other way and especially to Mrs Miller.

On Friday of this week we will be having our final Awards Assembly for the year. The Headmaster's and Citizenship awards will be presented and special work displayed. Year Six will be presenting an item.

Test week is next week and so it would be appropriate to remind, in particular the older students, that some revision of the semester's work would be of value. Having said this, some children do become nervous at this time of the year and a reminder that their work during the semester is also taken into account for their final grades would also be of value. Student absences during next should be avoided if at all possible.

Friday of next week will be a Mufti Day. Rather than a gold coin donation, something suitable for inclusion in the baskets for the Chocolate Wheel for the family fun day should be brought along. A note listing suitable items will be sent home shortly.

Some dates to remember:

- Awards Assembly: Friday, 2<sup>nd</sup> November;
- Junior School Test Week commences: Monday, 5<sup>th</sup> November;
- Kindergarten 2008 Orientation Day: Wednesday, 7<sup>th</sup> November;
- Head Start Group A commences: Monday, 19<sup>th</sup> November;
- Head Start Group B commences: Monday, 26<sup>th</sup> November.

### ***Equipment UPDATE:***

A BIG thank you to all the families that brought/returned or donated money towards our Entertainment book fundraiser. It has made a big difference and was greatly appreciated. Yr 3R and M6 were the lucky ones to enjoy a pizza party last Friday for returning all the books first. We raised over \$2000 and the money has been allocated towards unisex sports tops for the high school. Money raised from the fish and chip days has been put towards to playground paintings in the Infants area, thanks to Windsor Seafoods for the support.

Another special thanks must go to Jack's Toy Warehouse at McGrath's Hill for donating an enormous box of skipping ropes, hula hoops, cards, elastics and sandpit toys. The children are loving the new items. If any family would like to donate a lunch time toy to the tubs in your child's class please do so, the children get very excited with any new additions.

*Anna Giarratano & Megan Mansfield*

#### ***Lost:***

- Patrick Bolder - Yr 3, Blue Sports Jacket which is new.
- Karelle Garden – Yr 9, Dress hat last seen in the Drama Block the last Friday in August, Karelle's name is clearly marked in the hat.

If these items are found amongst your children's clothing or around the school, please return them back to the Student Services.

Saturday 24 November and Saturday 1 December

### Lost Property:

A system operates in the College which, when operating smoothly ensures the prompt return of lost items to students. The task of returning lost items is made virtually impossible when items do not have student names clearly marked upon them. It is the responsibility of students and parents to ensure that every item students bring to school is clearly marked; in the High School with the students name and home room number, and in the Junior School with the student's name. Due to the exponentially increasing number of items appearing in Lost Property any item which is not clearly labelled will be deemed to belong to no one and will be returned to the Uniform Shop automatically for re-sale. Regards.

Mr. O. Laffin
