## From The Headmaster: *Dr John Goddard*

From time to time, Arndell students are involved in significant, outside-the-school activities which deserve a very special mention. Indeed, our students have enormous talents, and it is good to see them used to their fullest. Did you know that:

Catherine Reece and Holly Vincent (Years 7 and 6) are in the cast of the musical "Billy Elliott": after many months of rehearsal, performances start this week and we wish both girls every success in the show. Break a Leg!

Brendan Stephenson, Ben Tuynman and Max Page have been selected to train with the NSW Rugby Union's Western Sydney Talent Identification Program. The program involves practical sessions, with some work on the "mental side" of rugby too. Congratulations, men!

It was not a beyond school activity in quite the same way, but it was a significant input of time, when last week, in terrible conditions at Hills Zone Triathlon, Aleisha Ferguson, Emma Jungherr, Amy Mares and Ashleigh Burden spent the day at Penrith Lakes as officials. Thank you, girls for making an important event in our annual sporting calendar run so well.

We have been pleased to see Years 10/11 parents joining us for the "Mythbusters" night – a night of clear information on the HSC and UAI systems. So many mistaken ideas can surface, generally in the media, about how the system of marks, grades and scaling actually works, that it is vital that all of us have clear and **accurate** information. Thank you, parents, for coming: and if you couldn't attend but want to know more, feel free to give me a ring.

### MUFTI DAYS:

In many ways, they are a pain! But we hold Mufti Days in order to raise money for a cause – most are beyond-school charities, sometimes (as this Friday 16<sup>th</sup>) in support of the P & F's Family Fun Day on Saturday. On the whole, Mufti Days are therefore a good thing, but only if everyone follows sensible dress rules:

**Shoes:** Must be covered in, for safety at school. No Thongs or open toes.

**Girls:** Be covered up in a way that is just as decent as school uniforms. No bare midriffs; no shorts any shorter than your PE shorts.

**Boys (mostly) and Girls:** absolutely no printing on shirts/tops that could offend.

Mufti Days can be fun days – but they have to be fun days that allow school to continue uninterrupted, always observing in matters of safety and decency of appearance!

## From the Head of the Junior School: Rick Harrison

I am sure many of you will have heard whispers about some changes that will be happening in the Junior School next year. While we have no staff leaving, there is a little "shuffling". Mrs Miller will be taking over the responsibility for the Junior School Library, while Mrs Chan will move to Stage 2 as co-ordinator and Year 3 teacher. We welcome Ms Sarah Cooney, well known to us through her casual teaching here, as a Kindergarten teacher.

On Wednesday of last week we welcomed the members of Kindergarten 2008 and their parents to the College. While the children spent some time with the infants' staff, the parents were informed about many of the things that they can expect to occur in the first year of the formal education of their children. Many thanks to all those who attended, those who spoke, our "models", the P&F and parents of Kindergarten 2007 for providing morning tea and especially to Mrs Misztal for her organisation skills.

Our swimming programme commences next week. The Infants have a two week programme, while the primary classes have one week. Years Three and Four will swim next week and Years Five and Six the following week.

The next two weeks are also the time for the Headstart programme. For those of you who don't know what this is, it is an opportunity for next year's Kindergarten to get to know what school is all about. The group is divided into two with one half coming for half a day every day for the first week, with the remainder of the group doing the same in the second week. The children will participate in all manner of school activities and also be involved with some simple testing.

Students who were presented with Citizenship Awards during our most recent Awards Assembly were:

|  |   |

Hi, this is a photo of the junior boys CSSA basketball team. We really had a fun day. The team won three out of five games. Here is the team: Michael Coyle, Jack Black, Josh Ellison, Ben Rodgers, Isaac Whatston, Dakota Cooke-Martin and Nathan Hodges. A big thanks to Dakota and Isaac who came into the team on Monday. Connor Moore could not play due to an operation. Also Max Midgley couldn't make it due to a broken wrist, a big thanks to our supporters, they really got us going. Also to Matt and Mr Walker for coaching us. The boys put everything into all our games. Well done.

Ben Rodgers Year 4

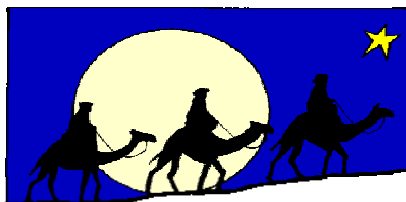

On Tuesday 13 November, the junior girl's basketball team went to the CSSA basketball competition. We had had a great day. There were five other teams from other Anglican schools; one team even came all the way from Newcastle! We didn't go to the finals but we tried our hardest. The girls who went were: Ellie Brown, Megan Fitzgerald, Lauren Sinclair, Molly Hogan, Elouise Abraham, Naomi Borg, and Olivia Awaritefe. Thank you for all the hard work the girls put into the games and to our Coach.

### *Lost Property:*

A system operates in the College which, when operating smoothly ensures the prompt return of lost items to students. The task of returning lost items is made virtually impossible when items do not have student names clearly marked upon them. It is the responsibility of students and parents to ensure that every item students bring to school is clearly marked; in the High School with the students name and home room number, and in the Junior School with the student's name. Due to the exponentially increasing number of items appearing in Lost Property any item which is not clearly labelled will be deemed to belong to no one and will be returned to the Uniform Shop automatically for re-sale. Regards.

*Mr. O. Laffin*

**Lost Property** has accumulated a large number of shoes. These shoes will be thrown out at the end of next week if their owners do not claim them. Please come to H Block in order to claim your shoes. All remaining property must be distributed by the last day of term.

## *MOVEMBER 2007:*

Movember (the month formally known as November) is a moustache growing charity event held during November each year.

At the start of Movember guys register with a clean shaven face. The Movember participants known as Mo Bros then have the remainder of the month to grow and groom their moustache and along the way raise as much money and awareness about male health issues, in particular prostate cancer as possible.

Movember brings to attention the fact that men are far less healthy than women. The average life expectancy for men is five years less than for women. The reason for this may be due to men lacking awareness about the very real health issues they face. They tend to have a "she'll be right" attitude and are reluctant to see a doctor about an illness or to go for regular check ups.

The aim of Movember is to change there attitudes, making male health fun by putting the Mo back on the face of fashion and in the process raise some serious funds for key male health issues including PROSTATE CANCER, DEPRESSION and TESTICULAR CANCER.

Prostate cancer - Every year around 18,700 Australian men are diagnosed with prostate cancer and more than 2,900 die of the disease, making it the second largest cause of male cancer deaths, after lung cancer. When diagnosed and treated early and effectively, prostate cancer has a cure rate of over 90%.

Depression - One in six men experience depression at any given time in Australia but most don't seek help. Depression is a known high risk factor for suicide. From 1988 to 2002, the suicide rate was four times higher in men than women.

Testicular cancer - Testicular cancer is the most common cancer in men aged 18-35 years. The number of men diagnosed with testicular cancer has grown by approximately 34% over the past decade, but the reason for this is not known. The good news is testicular cancer is highly curable when found early and treated promptly.

To make a donation, go to [www.movember.com.au](http://www.movember.com.au) and click *sponsor a mo*. You can either make a donation or even sponsor Mr Burroughs who is growing a mo for the month. All donations over \$2 are tax deductible.
