Dates for the Diary:

Monday 19 May to Friday 23 May
Jnr. School – Test Week

Monday 19 May

CIS 15's Netball Trials
HZ Trimester 2 Competition begins
PISA/ERA Assessments
Yr 10 PASS Assessments

Wednesday 21 May

AICES Cross Country Carnival – McArthur Anglican
LEAP Robotics Workshop
Yr 10 PASS Assessments

Thursday 22 May

HZ Open Boys Rugby Union Trials
Yr 12 Chemistry Exc – Darling Harbour

Friday 23 May

Junior School Chapel
Senior School Assembly
Yr 8 Green Red History Exc – Brewongle Ed. Centre

Exams

Monday 26 May to Friday 30 May – Yr 11
Monday 26 May - Yr 7 Geography/History only
Tuesday 27 May – Friday 30 May – Yr 10
Tuesday 27 May – Yr 8
Wednesday 28 May to Friday 30 May – Yr 9

Please note that this week is Senior School (Years 7-11) Exam week.

Parents:

- **Obtain your child's timetable, which will be published soon;**
- **assist in a sensible, manageable revision program;**
- **Support, support! – but be very wary of demanding any particular result.**

Monday 26 May

CIS Football – Boys/Girls Trials

Tuesday 27 May

Stage2/3 Musica Viva Concert

Wednesday 28 May

P & F Meeting – 7pm in the Senior Library Focus on Year 7 and 8 in particular, and on what we are doing, and what you want us to do, in our anti-drugs teaching.

From The Headmaster:

Dr. John Goddard

A belated welcome to Term 2 to everyone from me! It is very good to be back in school; at the same time, it was a marvellous privilege to have a time of study leave, to be able to travel and to visit a wide range of overseas schools, to read and to think about issues in education. What I saw and heard was very stimulating; sometimes it made me smile almost with relief (boys attempt to untuck their shirts in every country and we all chip away at them!); sometimes it set me a challenge (for example, to enthuse **all** students and parents about the merits of participating in co-curricular activities); and often it made me realise, as I'm sure you realise, that so much of what we are doing at Arndell constitutes a very fine provision of education indeed. We should all thank God for that!

An absence, however brief, always creates work for others to pick up, and I want to thank particularly Mr. Webb for acting in my stead in recent weeks and those many senior members of staff who have picked up extra tasks. I value enormously the support shown by all our staff as they make things happen!

During this week, the NAPLAN tests took place for students in Years 3,5,7 and 9. These tests replaced the old Basic Skills/Ella/Snap tests and added Year 9 to the national testing program. From our point of view, students managed the tests very well; I would be interested to hear from parents any comments you might make about the impact of such testing. We have to do it, as a clear condition of government funding, and I support the tests, as useful diagnostic instruments. The results of such a huge, nation-wide enterprise will probably not come through for some weeks.

My thanks to parents who participated in the "Stage 1 on Display" morning on Wednesday of this week. This new initiative was designed so that parents and prospective parents might see the classes in Years K, 1 and 2 in action and talk to staff about the kinds of activities that occur. It gave parents a clear idea of what, for example, a youngster in Kindy next year might experience. I express my great thanks to Mrs Misztal and the staff of Stage One, to Mr Harrison, Mr McKenzie and to Mrs Whelan and the Admin Staff for their hard work in mounting this event.

Thank you also to staff and parents for their participation in this Year's 12 Parent/Teacher evening this week. Most Year 12 students are preparing themselves very well for the HSC; some have an enormous way to go if they are to feel any real sense of satisfaction at the end of the year. The evening was a positive and valuable exchange of information and discussion of the implications of results so far.

Last week saw a large squad of runners go to Hills Zone Cross Country at Redfield. The girls and boys ran very well, and Mrs. Cornick will publish more detail of the results. I do want to congratulate Alex Celio (Year 8), who won his event in splendid style and so ranks No. 1 in the Zone as he moves on to higher representative levels. Well done to Alex, and to all the runners who represented us so ably. As I indicated above, my recent weeks away fill me with a sense of thankfulness, for opportunities provided to me and for the achievements of our fine school. I did see other schools (though not many) where the message of Christ is presented clearly and with vigour. This is something we do, from Kindy on, and it is easy to lose sight of how special and important that is. In the midst of education and activities – on all of which I place high value – let us never forget the higher value to be found in sharing our love of Christ with students, parents and the whole school community.

From the School Chaplain: Rev. Graeme Sedorenko

Life, Work and Excitement

This week I had the chance to catch up with a good friend, Robyn, who has been involved in translating the Bible into Ramoaaina, for the Duke of York Islanders of Papua New Guinea, for the last 19 years. Her visit has reminded me of two things:

1. How it is so easy to take for granted the literacy skills the average Australian has and the importance of having these skills to function in society.
2. That it is easy to dream small or to underestimate what God can do through ordinary people.

The points have risen in my mind because of some personal testimonies in a couple of short DVDs Robyn showed in a few of my classes. When people heard the stories of Jesus in their own language they got really excited because it was like receiving direct communication rather than communication through a third person. I am always humbled by things that start in a small way and end up being something big. I think of Jesus, who started Christianity, a single man (yes He was the divine Son of God who took on flesh but nevertheless was still restricted by flesh) who built strong ties with 12 others, and in His strength the 11 (remember Judas betrayed Jesus) overturned the world!

Too many people live for themselves, for this world only, and that my friends is what I call a small dream. Too many of us forget that a person in God's hands will have a greater adventure because the living God knows the depth of who we are better than we know ourselves. To dream without the Lord Jesus' involvement is too limiting because He alone knows the world completely, with all its differences, and needs. He alone knows the very depths of our abilities and capability. He alone is in the position to see the whole picture, the beginning and the end, and so is able to match the right time and place for us to use our given abilities to work, and to experience the **FULL** life he intended for us to live.

I am so proud of the students who are going to the Northern Territory because they are willing to let Christ take them to places that are in many ways unknown to them and the students see this as something very exciting, as do I.

I encourage you to think on these words from Psalm 37: "Delight yourself in the LORD and he will give you the desires of your heart." Note that we are to delight in the Lord first (as you live daily delight in him), then you will truly find your heart's desire, and live a life of lasting satisfaction.

From the Head of the Junior School: Mr. Rick Harrison

On Wednesday of this week we welcomed prospective parents and students into the College for the Stage One Open Morning. After morning tea, Dr Goddard addressed the parents, who were then free to talk to the various staff that were available and wander into K, 1 and 2 classrooms to view lessons. We received a very positive response from those who came and look forward to seeing them next year as a part of the Arndell community. Many thanks to the class teachers and other staff and to the P & F and particularly Mrs Pellew for providing morning tea.

On Tuesday, the Junior School was entertained by Opera Australia and their performance of "The Barber of Seville". I have been told that it was a wonderful performance enjoyed by students and staff alike.

It has recently come to my attention that many parents of Infants children were not aware of the reason behind the removal of the LOTE (French) programme for the Infants classes. There are relatively few schools offering LOTE programmes and therefore few teachers available to teach LOTE and more particularly, French. We were very fortunate to be able to secure the services of Ms Turner, but she could only be spread so far, so we were simply unable to staff an Infants LOTE programme. We are hoping we will be able to reintroduce French in the future.

I hope that all of the Mothers had a pleasant Mother's Day. Thanks to all who supported the Mother's Day "stalls", I trust that the gifts your children selected were "just what you always wanted". We run this fund raising event each year to support our World Vision children. This year we have raised around \$1200.

Don't forget the Awards Assembly this Friday, commencing at 1:30pm in the Auditorium. Some Year 6 students will be performing and all parents are welcome to attend. Parents should find a seat in the mezzanine level of the auditorium and are welcome to stay for tea/coffee and biscuits after the assembly.

Events coming up include:

- Excursion: Kindergarten – Sydney Aquarium, 16th May
- Awards Assembly: 16th May
- Junior School Test Week: 19th – 23rd May
- Excursion: Year 1 - Taronga Park Zoo, 23rd May
- UNSW Science Assessment: 3-6, 29th May

Enjoy your weekend.

Senior Library Centre News: Mrs. Connie Stephens

Library Databases: A reminder to all parents that the library subscribes to several subject specific databases, which are on our library catalogue. The library catalogue is accessible through the student portal on our website. Whilst our general library catalogue is available for the public to view, these databases are only available to Arndell students. This is why students need to login through the student portal and then again in the top right hand corner on the Arndell Collaborix page to view the passwords for the databases.

Some of these databases are accessible there (under heading *Links* on RHS of screen) without a password, but others require a specific password, listed under the heading 'Database Passwords' on this page. You should find researching on these databases easier than searching through the thousands of sites that search engines generally offer. We have subscribed to help in that way. Annual subscriptions cost us about \$8 000, so I need to be confident that they are being utilized to justify their continuance.

On this page students will also find a link for *Preparing Bibliographies* for school assignments. This twelve page document has clear instructions on how to write up a bibliography for all types of sources used. This document should be printed off and referred to each time a bibliography is prepared.

P & F News:

Dates for the Diary –

Wednesday 28 May – P & F Meeting 7pm (Senior Library)

Monday 2 June – P & F Meeting 9.15am (Staff Commonroom)

Saturday 14 June – Trivia Evening (School Gym)

Entertainment Books

Flyers have been sent out with the Advocate last week – if you wish to purchase an entertainment book, fill in the form and return back to Admin Office with your money.

 30 May – Storm Games
 6 June – Dress to Impress

Students: Friday Lunch “The Way” meet in D1
 Adults: Fridays “People Looking at God’s Word” 9.25am at the College

Brainteaser

Number 12

Every issue of the College newsletter will include a brainteaser organised by Mr. Billeh. The answer will be published in the following issue. Have fun and God bless you all.

Use your Algebra skills to prove that $2 \neq 1$

Let	$x = y$	Line 1
Multiply both sides by x	$x^2 = xy$	Line 2
Subtract y ²	$x^2 - y^2 = xy - y^2$	Line 3
Factorise	$(x-y)(x+y) = y(x-y)$	Line 4
Divide by (x-y)	$(x+y) = y$	Line 5
Since $x=y$, therefore	$2 = 1$	

There is a fallacy in the proof above. In which line?

Answer to brainteaser 11: 72 buses.

The Arndell Advocate:

The School Newsletter “The Advocate” is on the School website, however if you would like this to be emailed to you,

Please fill in the note below and return back to Mrs. Barbra Whelan. (PA to the Headmaster).

Attention Mrs. Whelan:

I wish to have the Advocate emailed to me:

Parent’s Name.

Email Address

Lost Property:

A system operates in the College which, when operating smoothly, ensures the prompt return of lost items to students. The task of returning lost items is made virtually impossible when items do not have student names clearly marked upon them. It is the responsibility of students and parents to ensure that every item students bring to school is clearly marked; in the High School with the students name and home room number, and in the Junior School with the student’s name. Due to the exponentially increasing number of items appearing in Lost Property any item which is not clearly labelled will be deemed to belong to no one and will be returned to the Uniform Shop automatically for re-sale. Regards.

Mr. O. Laffin

Speeding on the School Grounds:

On Thursday of this week, a parent had to stop very suddenly when another adult (who should have known better!) shot past her.

I do not want an accident – much less an injury to a student, or to anyone!

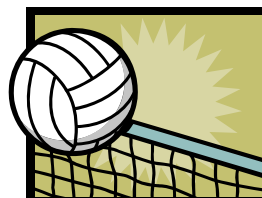

Slow down: there is time and space for us all!!!

From the Sports Desk:

YOUR ACCESS TO INFORMATION ABOUT

HILLS ZONE &

REPRESENTATIVE SPORT FOR 2008 AT ARNDELL.

Hills Zone Cross Country 2008

Congratulations to all students who competed in the Hills Zone Cross Country carnival last Friday. Their efforts were exemplary. Special congratulations to the following students who have been selected to run for Hills Zone team at the AICES carnival on May 21st:

Alex Celio 1st 14yrs, Danielle Clay 2nd 15yrs, Ian Dewhurst 4th 18yrs, Holly Andrews 6th 16yrs, Ben Tuynman 10th 15yrs.

Many thanks to the parents who came to support their children and the team.

HZSA Inter School Competitions:

Competitions will run through the 7-12 exam periods and students are expected to remain committed to their team as there are no byes in the competition. During Camp Week teams may have to forfeit their games, unless games can be rescheduled with the opposing team. There will be no games scheduled on HZSA carnival days (unless wet weather requires otherwise), Queen's Birthday and week 1 of Term 3. All competitions start week 4, except for Netball which starts week 5. Draws are being sent out this week. Daily notices will advise students to come and collect their draws.

My thanks to the following students who have offered their time to assist with teams as coaches/ referees: Justin Manefield, Hayden Collins, Max Rowe, Ben Tuynman, Keira Henry, and Bianca La Cioppa.

Students who are playing in a College team are reminded that training is compulsory. Students unable to train MUST see their coach with a note of explanation. All training is run at the College. Training times are on the Sports Notice Board. All commitment forms are to be returned this week or players WILL be withdrawn from the team.

Sports Uniforms:

Parents are asked to check that each item of PE uniform is named. Numerous items of unnamed clothing are turning up in lost property. In addition the unacceptable behavior of students taking advantage of other students leaving named/unnamed PE clothes lying around should not be condoned. Parents are asked to regularly check their child's uniform for ownership.

Junior School Cross Country: Mr Nathan Walker

On Wednesday 30th April, Arndell held its annual Junior School Cross Country Carnival at Cattai National Park. It was a perfect day, with warm weather and plenty of sunshine. Students gave of their best in all races, and the following places were gained by students—

Age Group	1 st	Time	2 nd	Time	3rd	Time
8yr girls (2km)	Lilly Keating	11.05	Kate Hogan	13.03	Chloe Patterson	13.22
8yr boys (2km)	Cooper Elven	10.09	Jack Evans	10.25	Jake Begeni	12.19
9yr girls (2km)	Georgia Thorpe	10.50	Madeleine Sainty	11.05	Laura Smith	11.39
9yr boys (2km)	Max Midgley	9.45	Marcus Dumesny	9.49	Sol Roper	9.56
10yr girls (2km)	Elouise Abrahams	9.44	Jacqueline White	9.58	Elizabeth Hanckel	10.12
10yr boys (2km)	Hayden Lane	9.10	Alex Earle	9.20	Tyler Young	9.29
11yr girls (3km)	India Rich	12.39	Molly Hogan	13.29	Megan Fitzgerald	14.59
11yr boys (3km)	Brin Cross	12.31	Jake Hilder	12.51	Zac Elven	12.54
12yr girls (3km)	Katie MacDonald	13.19	Madison Abrahams	13.40	Alivia Celio	13.56
12yr boys (3km)	Thomas Zahn	11.24	Connor Wickett	11.31	Matthew Young	12.29

The final house standings were –

House	Points
Chisholm	373
Johnson	291
Greenway	247
Tebbutt	246
Macquarie	169

I wish to thank all the 3-6 teachers for helping make the day run so smoothly. Thank you to all parents and high school students who kindly volunteered to be on the check stations around the course. Congratulations to ALL students for giving their best and encouraging one another on the day, and congratulations to all who made the CSSA State squad.

Two from two in the Hills Cup: Mr. Steven Burroughs

The Arndell Intermediate Rugby League Team has notched up their second win in as many games with a 22-8 win over Castle Hill High School. The boys dug deep after a close first half with both teams scoring tries and presenting scoring opportunities with every possession. Castle Hill seemed to

have a size advantage, particularly on the wing, and at half time it was only the kicking boot of Andrew Bennett that had Arndell 2 points ahead.

The second half allowed Arndell to assert their dominance in the pack with Pat Hollis and Billy O'Brien providing line breaks and keeping Castle Hill defense guessing. Reece Tuckerman and Alex McDonnell were impressive racking up hit ups while Nic Davoll and Michael Walker pushed the forwards through gaps. Despite tough tackling Arndell found space twice resulting in tries which Andrew Bennett had no problems converting. The final

siren went with the scores at 20-8 and Arndell in a strong position to score again...but that will have to wait until next week.

Next Tuesday 20th May Arndell has another away game against Gilroy at 4pm. The final team and squad will be announced during the week. Thanks to the parents and students who came the support the team.

LEAP Students win gold in Academic Pentathlon:

Mr. Steven Burroughs

Senior LEAP students recently competed in the first Arndell Academic Pentathlon where two teams from each year group 7-10 competed in a range of activities across different academic areas. Teams designed and built weight-bearing towers in the Science & Engineering section, and played word games and a spelling bee in the English component. In the Performing Arts section students created and performed a TV commercial for a novelty product, while in the Art and Poetry section teams had to submit a piece of artwork and complementary piece of poetry on the theme of 'relaxation'. Finally teams squared off in a trivia challenge covering areas like mathematics, world flags, Australian, world history, famous faces, geography, and sport.

In a close battle teams displayed high operational skills and team work to achieve the objective of each activity. Answers in the trivia showcased students' wide knowledge and gave opportunities for creativity and initiative. Despite teams from each year group achieving high scores in the end there could only be one

winner. The activities were aimed to give students from each year group equal opportunities and scores from each team were combined to determine the 'smartest year group at Arndell'. The results were: 4th place – Year 7, 3rd place – Year 9, 2nd place – Year 10, 1st place – Year 8. Interestingly enough, both Year 8 teams out-performed the other teams, demonstrating they really are in a 'league of their own'.

Congratulations to all LEAP students who took part in an enjoyable Pentathlon. A team from Year 10 will be selected to represent Arndell at the Da Vinci Academic Decathlon at Knox Grammar on Tuesday 3rd June.

LEAP dates reminder: Full day Robotics workshop – Wednesday 21st May.

Tournament of Minds – Saturday 30th August.

Carbohydrates: Roshini David Paul

Accredited Practising Dietitian, Member of the Dietitians Association of Australia

(cont'd) (Term 2, Week 3)

Disaccharides: These contain two units of saccharides and hence the name!

Sucrose (cane sugar/household sugar): Sucrose is broken down into the two monosaccharides, glucose and fructose in the intestines which are then absorbed. High sucrose intake tends to damage the liver which is attributed to the fructose derived from sucrose. Sucrose is the main cause of tooth decay, although all mono and disaccharides may share the blame.

Maltose (malt sugar): It is the intermediate product formed in the breakdown of starch into glucose.

Lactose (milk sugar): This sugar is the sugar of human and animal milk. It is easily digestible and is not as sweet as cane sugar. Lactose is broken down by the enzyme lactase into glucose and galactose.

See you in week 5!!!!

WORKING BEE for all

When: 14 June 2008

Time: 8.30am to 12.30pm

What: planting and mulching

The school gardens are in need of some tender loving care. Please come along to help plant some new plants. The plan is to fill some gaps in existing gardens where the plants have died. The working bee will go no longer than 12.30. If you cannot come for the full time an hour will be very helpful. Bring your children along as gardening can be great fun to do together.

Please Help

for further details contact:

Patrick Buerger on 0404 177 281

UNIFORM SHOP NEWS: Mrs Elizabeth Moore

• **NEW BLAZERS**

Students, who have not yet collected their blazers from the uniform shop, please do so as soon as possible. New blazer prices are as follows

- Junior Girls (yr. K – 6) \$160.00
- Junior Boys (yr. K – 6) \$210.00
- Senior Girls (yr. 7 –12) \$170.00
- Senior Boys (yr. 7 –12) \$220.00
- Yr 11/12 Add \$25 for stripe

Please deduct the deposit you have prepaid to calculate the amount owing on your blazer.

• **SUMMER DRESSES**

Due to faulty fabric on a small batch of "B2B" branded summer dresses, we are recalling the affected dresses to rectify the problem. The fault in the fabric is limited to the white sleeve cuffs and the collar and presents as pilling or small white fluffy balls on the surface of the fabric. If you think you may have one of the affected garments please bring them to the uniform shop labelled with your name, class and phone number no later than 29th May during normal uniform shop hours. If you have any queries please contact the uniform shop on 4572 3254 on Tuesdays or Thursdays.

Invitation

Arndell Community Church
Invites you & your family to
our 8th Birthday Party

Where: Performing Arts Building

When: Sunday May 18 2008 10 am

Bring the family for ~ Church Celebrations, Competitions, Pass the parcel, Piñata, Kids Craft, Jumping Castle, Face painting, Temporary Spray on tattoos, Music, Morning tea. Followed by a Sausage sizzle.

Come and join us as we celebrate our birthday
