## From The Headmaster:

A very warm welcome to the new term to all students, parents and friends of the College. I trust that the last couple of weeks have provided ample time for a refreshing break and re-charging of the batteries. We can now all look forward to another busy and productive term.

### HSC Results and UAI Scores

At the Year 11, 2008 Information evening held late last term, a question was asked (it has been asked in other years too) which reflects a serious misunderstanding concerning how students' results and UAI scores are arrived at. The question was like this:

*"But aren't Arndell students scaled down when it comes to calculating University entry scores?"*

The answer, which cannot be said too loudly is **NO!!** – and neither is any other school. For UAI rankings, each student state-wide is treated individually, not as part of a school's group. Let me explain this simply if I can.

1. A student earns an HSC mark, in each subject, based on their performance in school-based assessments and their performance in the final state-wide exam, 50:50. In order to maintain fair parity between schools, each school's in-school assessments (per subject) are **moderated** depending on how well the students in a given subject do on the state-wide exam. This is fair and reasonable and prevents schools from gaining an advantage for their students simply by marking too leniently. This process is undertaken by the NSW Board of Studies.
2. Students' HSC results are sent to UAC (the Universities' joint admission authority) and it is they who create the UAI scores, or ranks. They compare each student's (of 50,000 or so) scores in each subject with every other student's scores in every subject and by so doing they **scale** the subjects on a state-wide (**not** on a school by school) basis. This is how it is that 80% in Maths Extension 2 scores more UAI points than 80% in Standard English, for example. **All** students' scores are compared in this way, their marks are scaled on a state-wide basis; their scaled marks are added and then converted into a merit order list. The top 20 (or so) students on this list get a UAI of 100; the next 30 (or so) get 99.95, and so on. The school you come from does not enter into the UAI calculations in any way at all. Schools themselves are not ranked – only individual students, based on their individual performances.

I hope this is helpful to you: please feel free to approach me, or Mrs Dean, or one of the Heads of Department, if you want to discuss this further. It is important, in my view, that misconception on such a subject does not go uncorrected.

Quite a large handful of students (in Year 7-12) were not at school on the last day of Term 2 to collect their semester reports. They have been asked to come to Admin to collect them this week: if your child has not yet done so, please give them a very firm reminder to do so. You need to have the reports in front of you before the Parent/Teacher night is upon us!

On Monday – Wednesday of the first week of the holidays, all teachers were at school for 3 days' intensive work, mostly directed towards preparation for our Board of Studies inspection early in

2008. It was a most productive time, and it had room for some other discussions too, and an end of semester service.

In our work for the inspections, we might almost have been responding to the words of 1 Peter 1: 139, or the first part of it, at any rate.

**“Prepare your minds for action: be self-controlled,  
set your hope fully on the grace to be given to you when Jesus Christ is revealed.”**

## *The Surreal and The Reality*

During the last school holidays I had the privilege of going to a small Fijian Island named Matamanoa. It is a delightful island that was surrounded with natural beauty, a peaceful atmosphere, and welcoming people. One of the highlights was meeting people from European Countries and communicating with them. Another highlight was the snorkelling over, around, and beside the coral reef, which was about fifty meters off shore from our door step. Snorkelling was like entering another world, a hidden world. When you sat on the island and overlooked the reef, it was there but it was hidden. However, once goggles, flippers and snorkel were fitted the hidden world was open, revealed, and the display of colour and marine life danced with the ocean rhythm. For me, the experience was surreal, a bit like what movie makers and book writers try to deliver.

They try to open up another world. Take Harry Potter, or The Lion the Witch and the Wardrobe; both authors try to open up another world and both movies based on the books provide the surreal in a way that one wants to be part of another more glorious magical world.

The experience of swimming over the coral reef once again reminded me of the reality of another world. A world, that is very much a reality, and one that I will participate in, and where the surreal will not be a fantasy but a reality. The Lord's Prayer begins like this "Our Father in heaven hallowed be your name." As a Christian I am convinced that God is in heaven, and heaven is a place where things that we imagine to be surreal - are real. However, unless one knows God through his Son Jesus, they cannot see this other world. It is like viewing the coral reef at a distance, never

seeing the reality. The Christian sees the reality of heaven because they have put the goggles on and know that there is another world hidden from many people.

## *From the Deputy's Desk:*

Welcome to term 3 – and a cold start it has been.

On that note – It is crucial that students are dressed to keep out the winter chills. However our College uniform does not need to be compromised by a vast array of – multi coloured scarves, multi-coloured gloves or for that matter beanies. Added to this the College tracksuit top is to be worn as part of the PE uniform and not part of the formal uniform.

### **College Photographs.**

- Monday 23<sup>rd</sup> – Sport Photographs. Students are to attend in full PE uniform
- Tuesday 24<sup>th</sup> – Mufti Day – in an attempt to keep the formal uniform clean and tidy.
- Wednesday 25<sup>th</sup> – Formal Photos.

Please ensure that your child is dressed appropriately. That we do not need to carry boxes of wipes to remove make-up or brushes to flatten down 'Big Hair'. In the grand scheme of things the issue of uniform and make-up takes up far too much of our valuable time. Remember as parents you signed on to the College knowing the requirements so it is up to you to support us. The Formal photographs are what memories are made of. Let us all be proud to be a part of this great place.

### **Year 10 Excursion to Collaroy.**

My thanks to Mrs. Woodward and Ms. Windon for inviting me to be a part of the excursion. May I publicly congratulate both the staff and the students on what was a great day. Our students were exemplary in both attitude and behaviour.

Have a great weekend

*James Webb*

## *From The Head of the Junior School:*

Welcome to Term Three. We are looking forward to an exciting term with excursions, visiting performers, the Life Education van and Grandparents' Day keeping everyone busy and involved. **The Basic Skills Test will be held on Tuesday the 31<sup>st</sup> July and Friday the 3<sup>rd</sup> of August.** Please note that this second date has changed (previously the 2<sup>nd</sup> August), due to a clash with our Zone Athletics Carnival. Parents of children in Years Three and Five should ensure that children are at school on both days.

I am sure that most of you will have already heard the wonderful news: the birth of Toby Edward Gange (another boy!) at 2:21am on the 15/7/07. 3.02kg, 52cm. Mother and child doing well. Congratulations to Rebecca and Michael.

The weather managed to be just about perfect for our Primary Athletics Carnival on Wednesday of this week. Quite different from the very wet weather of last term which required its postponement. I was impressed, as always, by the enthusiasm of our students in competing and cheering on their peers. A big thank you to all of those competitors, the staff and parents who acted as officials and to Mr Walker for his organisation of the event.

Some of you will know that every year the Junior School enters two teams in the NSW Junior Chess League Primary Schools Chess Teams Competition, one at Championship level and the other at Rookie level. This year there were not enough Rookie teams so the two divisions have a mixture of Championship and Rookie teams. Our two teams have played well this year, with Arndell "A" currently in second place in their division while Arndell "B" (our rookie team) are doing well, midfield in their division.

Monday and Wednesday of next week are photo days. On **Monday sports photographs** will be taken. To simplify matters, **all** children in the Primary classes should come to school in their sports uniforms. The exception will be the Lego Robotics group, who should come in their normal winter uniform – if students are in sports photographs as well they will need to bring their sports uniform to change into. Infants children should come in normal winter uniform. **Tuesday will be a mufti day** with a gold coin donation for the Northern Territory trip. On **Wednesday all students should come to school in full (and immaculate!) winter uniform.**

I have been informed that there has been some difficulty with students in Years 4 to 6 remembering to bring their musical instruments to school on the appropriate days; often because, for some reason, they thought that music wasn't on, because it was the first week of term, the last week of term or some other obscure reason. So could I enlist the support of all parents of students in Years 4 to 6 to remind our budding musicians to bring along their drumsticks and guitars every Monday and Band instruments every Tuesday. While on this topic, remember that 10 minutes of practice, twice a week, is an absolute minimum for all of the above.

Some dates to remember:

- School Photographs: Monday, 23<sup>rd</sup> and Wednesday, 25<sup>th</sup> July
- Basic Skills Testing: Tuesday, 31<sup>st</sup> July and Friday, 3<sup>rd</sup> August (Years 3 and 5)
- Grandparents' Day: Friday, 17<sup>th</sup> August

### Brainteaser

### Number 20

*Every issue of the College newsletter will include a brainteaser organised by Mr. Billeh. The answer will be published in the following issue. Have fun and God bless you all.*

What three letters can be placed in front of each of these words to form a new word?

**Sport, Sword, Sage, Sable, Time.**

**Answer to brainteaser 19:** Parental, Paternal, Prenatal.

## 2007 "Sew - In"

**When:** Wednesday 8<sup>th</sup> August  
**Time:** 9am – 2  
 Morning Tea and Lunch will be served  
**Where:** Senior Library  
 Arndell Anglican College

We will be sewing squares together to make wraps for 'Wrap with Love'  
 Finished squares can be delivered to Student Services at the College.  
 For catering purposes please phone the College on 45723633 by Friday 3<sup>rd</sup> August.  
 Follow the pattern

**Instructions for square wraps:** need to measure 10 inches x 10 inches (25cm x 25cm)

### Knitted Squares

To knit a 10 inch x 10 inch square use size 8 (4mm) needles, 8 ply yarn, cast on 50-55 stitches and knit each row plain (i.e. garter stitch)

**Note:** Test your tension to measure 10 inches (25cm)

Do not knit: one row plain, one row purl (i.e.: stocking stitch) as your square will curl up

No knots: Start each ball of yarn at the beginning of a row and sew in ends. Do not cut ends off short, as your square will unravel. When starting or finishing a square, sew in all ends

### Diagonal Squares

Cast on 3 stitches.

Row 1: K1, increase 1 in next stitch, knit to end of row.

Repeat Row 1 until side edge measures 10 inches (25cm)

Next Row: K1, K2 together, knit to end of row. Repeat this row until 3 stitches remain, cast off

**For more information contact -Mrs. Miles at the College.**

Students who represent the College in sport during the winter terms are expected to wear the College track suit and **NOT** their College jumper.

## ***FROM: SYDNEY WEST AREA HEALTH SERVICE***

### ***Weight status of school-aged children in Sydney West Area Health Service.***

Arndell Anglican College has been asked to be involved in a survey with the Sydney West Area Health Service concerning the problem of children being overweight which has had lots of coverage in the media. To find out whether this is a problem for our local community, the Sydney West Area Health Service is measuring the height, weight and waist circumference of students in local schools. Students in Year 4 and 7 are invited to participate in this health check. In high schools the project is being undertaken simultaneously with the school based immunisation clinics. However, students can be measured even if they are not being immunised.

Further details will be sent home with students next week. Please support this important project by agreeing to let your child participate in it. **All consent forms must be signed and returned to the school by Monday 30 July 2007**, irrespective of whether or not your child is participating in the project. This is different from the immunisation program.

If you have any further questions or comments regarding this program please call Joanne Stubbs or Helen Achat on 9840 3603
