Year 6 Camp – Port Hacking

From the Headmaster: Dr. John Goddard

- #1 A huge **Well Done** to all concerned with the Talent Quest on Friday last. What a range of talents – and some of them largely unexpected! It was a splendid evening.
- #2 Please have in mind the College/Church Thanksgiving Service, Sunday 21/9, 10:00am. At this annual service, we give thanks for all aspects of our joint Arndell life: on this occasion, especially for the Northern Territory and UK Choir Expeditions. Come and help us send these two groups off in style – with prayers and songs of praise.
- #3 Year 12 parents – we hope many of you will join us for the Valedictory Assembly on Thursday 25 September 9.00am, as well as for the Formal in the evening. It will be an important day, with the Assembly as a fitting formal school farewell. Please be at school (Performing Arts auditorium) by 8.50am if possible.
- #4 Best wishes to the large number of Year 11 Voc. Ed. students who undertake Work Placements in Week 10 of this term. The placements are a vital, and most enjoyable, part of the course, and we know you will represent the College well.
- #5 Also in Week 10, Year 6 are off to Port Hacking. Parents – have you got all the information you need for your children?
- #6 Mini-Market Day: it is one of the most enjoyable days on the Junior School Calendar. Fine weather – lots of fun – plenty of food – who could ask for more? Many thanks especially to all of Year 5 and to Mrs Turville and Mrs Zahn for managing the Market so very well.
