Monday 24 Nov.

Yr 11 Hospitality Excursion - Sydney

From the Headmaster: Dr. John Goddard

- #1. A very great **thank you** to all who helped mount the Family Fun Day on Saturday. It was a huge success – both in Friendraising and Fundraising. I enjoyed the opportunity to speak with many of you, either on the book stall or around the grounds. May I particularly thank three overall co-ordinators who put in, along with others, countless hours of work and planning: to Mrs Fitzgerald, Mrs Stever and Mrs Butler, we are all greatly in your debt.
- #2. **Year 10 Camp on Monday (17/11):** parents, have you all the info you need? Is everything ready? It is a wonderful site at Nowra and the forecast is good. Enjoy it, Year 10's, after the School Certificate this week.
- #3. An enormous **Well Done** to Catherine King and Ben Tuynman, who, with their trumpets, played at Springwood RSL's Remembrance Day Service on the weekend. They did a fine thing in offering their services in this way. Our Chairman of Council, Mr. Lambert, wishes to commend them highly.
- #4. Have you noticed that **auditions** for the **2009 Senior Musical** are being called? I encourage lots of students to have a go: we can have huge fun with "42nd Street" next year.
- #5. Whilst Headstart is on for next year's Kindy students, a good deal of swimming instruction takes place for our Junior School students. Parents do you know when for your child? It's a very valuable program.
- #6. **Parents of Year 10: Important!**
Some students would like to arrange to leave school, after **exams and camp** are over, because they are not returning in Year 11. This can **only** be done if you **write to me** about the matter.
For all students returning to Year 11, we intend to complete the compulsory Board of Studies "All My Own Work" course – a pre-requisite for even beginning on Year 11/12 work.

Biblical Spot:

In Psalm 119, Verse 105 we read:

Your word is a lamp to my feet and a light for my path.

It lights the way right at my feet, the immediate present, so to speak; and it illuminates the longer view, the path that stretches ahead.
