From the Headmaster: Dr. John Goddard

1. Parents will have heard a good deal in the news about possible changes to the School Student Transport Scheme (SSTS). It may be too early to know exactly what the State Government will do, but there is some information at:
<http://www.transport.nsw.gov.au/news/ssts-changes.html>.
or at the following website
www.savestudenttravel.com.au
2. Many thanks to Mr. Owen Laffin and the Duke of Ed. students, who rose to the challenge with great spirit on their hike last weekend when Mrs. Waterhouse became unwell during the trip. They all kept their cool, worked together to get Mrs. Waterhouse safely out and acquitted themselves splendidly. Mrs Waterhouse has been in hospital since the trip: our thoughts and our prayers are with her and her family.
3. I was enormously encouraged by the numbers, and the spirit of conversation, at the Kindy/Year 1 2009 parents' meeting on Tuesday night of this week. There is no doubt that the class will be a great success: thank you all for attending and contributing so well.
4. **Year 10 Parents:** please note that we have done as required and notified Hawkesbury Police of arrangements known to us in connection with the Year 10 Formal on December 3rd. Please do not let anyone do anything silly – not even wheelies in McQuade Park!
5. One of the great occasions of the year is our **Carols Service**.

Friday December 5th, Auditorium, 7.00pm

May I urge all parents/grandparents/students to join us for this service: come and sing, hear God's word and have a lot fun. It promises to be our best ever.

Biblical Spot:

Today in the town of David a Saviour has been born to you:

He is Christ the Lord." (Luke 2:11)

There can be no greater cause to come and celebrate!
