## *Biblical Spot:*

- A good read Peter Jensen's *At the Heart of the Universe – What Christians believe'*
- A great quote from the book. 'The life and words of Jesus are remarkable. Both are essential to the work he did.' ..... 'His death was something He did, not something he endured; it was the captain joining the life raft and bringing it to safety'
- As we draw closer to Easter consider the price paid for us. Awesome!!
