12<sup>th</sup> May, 2009

Dear Parents,

**The next General Meeting of the P & F Association  
will be held on **Tuesday, May 19<sup>th</sup> at 7.30pm** in the Snr Library  
- that's next week.**

**Our guest speakers will be a group of our own  
Year 12 Student Leaders**

The aim of this meeting is to give you, as parents of future high school students and potential student leaders, the opportunity to learn what high school is like for students at Arndell College ... from students who have actually lived it.

Our students will speak to you briefly about their various roles within the College, activities, responsibilities, interactions etc and then we would like you to ask them questions directly about anything 'you've always wanted to know but been too afraid to ask!' There will also be a light supper served and a further opportunity to speak to the students.

This meeting has been organised in response to feedback we have received from parents who have asked for more information about our senior school so they can better understand what to expect for their own children who will be entering high school in the not so distant future or who are in the early stages of senior school already with Year 12 looming.

This is a great opportunity for all parents to see the end result of an Arndell education, nearly half the students joining us for the evening have been students since kindergarten.

I hope you'll be able to join us for what will be a very interesting evening. If you would like any further information please contact me on [pandf@arn dell.nsw.edu.au](mailto:pandf@arn dell.nsw.edu.au) or call me on 0414 845 488.

*Neile Thompson*
