Students participating in the Easter Service

From the Acting Headmaster: Mr. James Webb

Arndell College Parents' Satisfaction Research Survey.

I am pleased to report that over 100 parents have completed their surveys, making an important contribution to the project and, ultimately, the College's continuing success.

To ensure that we have data and well informed observation and recommendations from our consultants, it is of great importance that we have as many parents as possible completing their surveys.

I understand that some parents may have commenced filling in their surveys soon after the web site access was available but may have had some difficulties completing them.

If this is the case for you, may I encourage you to try again? Please note that the closing date is Friday 22nd May.

If you have mislaid your survey access information (username, password, etc), please contact Rohan Smith at the College.

If you have any further questions about the survey please don't hesitate to contact our research consultant, Nicholas Guyatt, Head of MMG Education, at nicholas.guyatt@mmg.au.com or at 02 9662 4146.

Family Fun and Open Day, Saturday 30th 12.00 Midday to 5.00pm.

Come along bring your friends and enjoy the day. A number of College Open Day activities are planned from Science Experiments, the History department demonstrating the mummification process, Rocket Launching, College Choir and Bands, Dance, Hospitality and Technology displays, Junior School Robotics, Sport and much more.

Anzac Services

My thanks to the College student leaders and their representation at the Anzac dawn service, held in Windsor, on the 25th. We can be proud of the younger generation and their understanding of the sacrifices made for them and for the generations to come.

Congratulations to Nelson Thompson-Howell, Owen Rogers, Jordan Leal and Aden Meca who competed in the HZSA KO Tennis Championships. The boys won the preliminary round against Masada, 5 sets to 3. Aden played a tough singles that went to a tie break, and won 6-5 and took the team to the Semi finals against William Clarke. The boys played well in the semis but went down to some exceptionally strong play by the William Clarke team. An awesome effort by all four boys. Well done!

Have a great weekend.

Calendar Dates for your Diary
