## Year 9 Camp

## Recess time at the College

## *From The Acting Headmaster: Mr. James Webb*

### Can you help?

Our Hand bells are currently sitting in the Whitechapel Bell Foundry in London awaiting tuning and repair. I am looking for sponsors to assist with a financial donation to get these wonderful instruments back into the hand of the students. If you are able to assist through a small donation please send it in or bring it to Mrs. Whelan. All donations will be gratefully received and acknowledged.

A very interesting article in the magazine 'Education Horizons' captured my attention both as a parent (whose children have now left school) and as an educator.

### **'The benefits of parent involvement in their child's education'**

When families are involved in their children's education in positive ways, children can achieve higher grades and test scores, have better attendance at school, complete more homework, demonstrate more positive attitudes and behavior, graduate at higher rates and have more enrolment in higher education. (Henderson and Berler 1994)

To be honest, the above whilst written as part of a research project in 1994 still remains true today. The article talks about 'Parent Participation', the need to attend school events, understanding how the school works, taking an active interest in the child's life at school and ensuring that pre-school preparation really does happen.

We often associate much of the above with the Junior School but I have found, over the years, that parent involvement in the Senior School creates a really positive atmosphere. Is it simply that we are too busy to take an active role? Or is it that our children shy away from us saying it's not 'cool' to be seen with your parents? This article is a good read and I will ensure that some copies can be found in student services and administration.

I have placed a great deal of emphasis on 'community' since the start of the year. Like the moon the concept waxes and wanes. In all that we do I would like to make Arndell a better place for your children but cannot do this alone. Your support is required, you are significant stakeholders in the whole process and contributions are always assessed and acknowledged.

I was unable to attend the recent Parents and Friends meeting. However Mrs. Brenda King, Deputy Chair of the College Council and I had arranged 8 Senior Leaders from the student body to talk about their experiences in the High School. They were wonderful and helped those who attended understand the complexities of each day, they fended some really interesting questions and I thank Russell Avery and Ashleigh Burden (School Captains) Cate King, Dominic Thompson, Hayden Collins, Nicolle Leary, Amy Mares and Bijan Darabi for their assistance. However it was a rather poor turnout of parents so I refer you back to the above article **'Parent Participation in Education'**. How serious are we?

Have a great weekend.

## *From the Head of the Junior School:*

*Mr. Rick Harrison*

Recently Erinn Vucko of Year 6 participated in the PSSA State Tennis Championships. Erinn played brilliantly during the event, missing out on selection for the state team by one point! Congratulations, Erinn.

A small reminder for all parents: with the huge number of identical uniform items in our school and with the nature of most children being to leave things wherever they drop them, it is very important to have all items of your child's uniform labelled. The labels should be clear and checked regularly; iron-on labels can fall off and ink can run making names illegible.

A second small reminder: If you have recently changed your address or any of your telephone numbers (home, work or mobile) please let the College know so that our records can be kept up to date. It can be very frustrating when staff attempt to reach parents only to find contact details are no longer current.

If you would like your child to participate in the UNSW (ICAS) Assessments for English and Mathematics, please fill out the return slip on the note that was sent out this week and return it to me by the end of next week.

I mentioned in the last newsletter that the change of days for Triskills necessitated a change also for our Awards Assemblies. The next Awards Assembly will be held on Parents' Day, now on Wednesday, 10<sup>th</sup> June. The second Awards Assembly for the term will be held on Friday, 26<sup>th</sup> June (after Triskills has finished for the term).

Each year the contents of the student diary issued to all students from Year Three to Year Twelve is reviewed. If any of you believe there is something missing from our diaries that might be useful, please write down your suggestion and drop it in to me so that it may be considered for future editions.

Events coming up include:

- Mufti Day: 26<sup>th</sup> May
- Family Fun Day: 30<sup>th</sup> May
- Excursion: Yr3 – Muru Mittag: 1<sup>st</sup> June
- Excursion: Yr2 – Featherdale: 1<sup>st</sup> June
- Public Holiday: 8<sup>th</sup> June
- UNSW (ICAS) Science Assessment (3-6)
- Parents' Day: 10<sup>th</sup> June

Enjoy your weekend.

## *From the College Chaplain:*

*Rev. Graeme Sedorenko*

Hi Everyone

What is it that makes a Christian a Christian?

Are they really any different from any other person?

How do you know if you are a Christian?

Is it really important, shouldn't we all just get out there, be good, kind and generous?

To answer the first question I want to look at 1 Peter 1:3: *"Praise be to the God and Father of our Lord Jesus Christ! In His great mercy he has given us new birth into a living hope through the resurrection from the dead, and into an inheritance that can never perish, spoil or fade. This inheritance is kept in heaven for you,..."*

Two important concepts to notice in dealing with the first question.

1. A Christian is a person who has received mercy. Mercy, in the Bible, is all about receiving something you do not deserve. The mercy the Christian has received is from God. God goes well beyond his duty of care for his creation and offers mercy to people who have ignored him and rejected his right to be involved in their lives. All people are guilty of this attitude and this action, but a Christian has experience mercy from God.

The second concept:

2. A Christian has received new birth. The one who is born again is the person who recognises they need mercy for the wrong attitude shown to God and the unwillingness to honour him as we should with our lives. People of the new birth will gladly respond to the mercy God offers in Christ. As people respond to God's mercy, he is willing to forgive them for the past attitudes and actions. He grants them a fresh new life. The receiver of this mercy begins to acknowledge God's rightful place in their life.

To hear more about the wonderful nature of the living God and the freedom from guilt that Christ delivers why not come to the Pitt Town/Arndell Community Church that meets each Sunday at 10.15 am in the auditorium.

## A Cry for Help!

Is your child's blazer looking 2<sup>nd</sup> hand already?

Does it have marks on it that weren't there a week ago?

It could be because your child is wearing Luke Breene's blazer. Luke Breene in 1 Red is looking fabulous in a clean, brand new blazer that he wore home on the first day.

This blazer has no name on it and fits him perfectly.

Luke's blazer has his name on the inside pocket.

If anybody would like to return Luke's hand me down blazer and receive their lovely new blazer back, please see Luke's mum Jacqui, or Mrs Finn.

### Brainteaser

### Number 35

Every issue of the College newsletter will include a brainteaser organised by Mr. Billeh. The answer will be published in the following issue. Have fun and God bless you all.

Students are helping unload books. If each student takes 4 books from the load, there will be 20 books left. If 3 students don't take books, and all the other students take 5 books each, then there won't be any books left. How many books are in the load?

**Answer to brainteaser 34:**

2 and 4.  $2^4 = 16$ , and  $4^2 = 16$ .

## IMPORTANT INFORMATION REGARDING THE SENIOR SCHOOL CARNIVAL

- ☆ If students do not return the permission slip, a seat will be booked for them on the buses provided by the College and they will depart at 8:45am.
- ☆ The 8:15am bus will transport students for the 1500m (if a seat is specifically booked)
- ☆ I would like to remind parents that if you wish to pick your child up from the carnival, or have another parent pick them up, **this must be in writing** and given to your child's Homeroom teacher at the beginning of the day. This ensures the College is following their duty of care for all students. I thank you for your support in this area.
- ☆ Please note that the carnival finishes at 2:15pm. Students are to remain until this time to support other students in their House and assist with clean up.
- ☆ Any parents who can assist on Tuesday should receive a letter home via their child in the week prior to the carnival. Thank you in advance for your assistance.
- ☆ Blacktown Olympic Park has a **tartan track** which is an **all-weather track**. It is therefore unlikely that the carnival will be cancelled in wet weather. There is an undercover grandstand to provide shelter. However, if the weather is particularly nasty and you are not sure if the carnival will go ahead, the College phones will be answered from 8am. If you cannot get through, send your child in full PE uniform as well as bringing the correct books for the day.

## *Senior School Special Provisions for Exams: Mrs Donna Allen*

Firstly: Parents, ex-students, friends of the College, we need your help! Whenever possible we try to use parents as readers and scribes for exams in Years 10, 11 and 12, including the School Certificate and Higher School certificate. We do not have enough helpers to cover our current needs.

This is your chance to offer a few days during the year that fits in with what you can do. We can use students, but *the students themselves prefer parents!*

If you are able to help, please let Mrs. Allen or Ms. Maddison know by tomorrow. Please email [donna.allen@arnell.nsw.edu.au](mailto:donna.allen@arnell.nsw.edu.au) or call the school office and leave a message -with a return phone number or email address.

Secondly, if you believe that your son or daughter has a diagnosed learning difficulty or disability, check whether they wish to access special provisions (eg. reader, scribe, rest breaks) and return the following slip to Mrs. Allen or Ms. Maddison in D block tomorrow. **The exams this year will be held in S block.**

A special thank you to the two adjudicators, Mrs Fiona Ingold and her husband, Mr Barry Ingold, who had a tough time choosing winners and runners-up when the competition was of such a high standard. Our two hosts, Amy Fradd and Lachlan Werner also did a splendid job.

A lovely night was shared by all and we are all looking forward to next year!

Mrs Rene O'Hare and Mrs Mary Zahn

**CAREERS:** *Mrs Connie Stephens*

*Head of Library/Careers*

Thank you to those parents who replied to my offer of forwarding our Careers email each week. If there are any other interested parents please let me know ([connie.stephens@ardell.nsw.edu.au](mailto:connie.stephens@ardell.nsw.edu.au)).

Last weekend quite a few Yr 12 students attended the SMH Careers Expo at Randwick Racecourse to attend HSC study seminars and discuss future career paths with the tertiary institutions represented there. I arrived home laden with 'show bags' of information that have now been added to our Careers Room.

Last Monday night some Yr10 students attended the Subject Selection evening for Yr10 into Yr11, run by UNSW at Kensington. I am pleased to see so many of our students taking advantage of these great opportunities. If any Yr10 students missed this evening there is another one run by USYD on Monday June 1, 6.00-8.15pm. As all students from Yr10-12 receive this MHS Careers email from me each week, sent to their school email accounts, this information is available to them 24/7. Parents, please ask you kids to let you browse through this information as well.

A Yr10 TVET hands on "Taster Day" is also being offered at Nepean TAFE on Monday June 15, for students to tryout some courses that they might consider studying in Yr11/12 as part of their HSC course. A list of TVET courses currently offered is displayed on the Student Careers Noticeboard in the SLC.

#### **CAREERS INFORMATION FOR PARENTS OF STUDENTS IN YRS 10-12.**

Approximately every 2 weeks, all Yrs10-12 students at AAC receive an email to their school account, forwarded by me from the 'My High School' careers subscription that the school pays for, to assist students with current careers information. This email has a link to the Latest Careers News as well as an Events Calendar that lists all the University Faculty Open Days, Traineeships and Cadetships, Preapprenticeship Courses, Industry Experience Days and Private College Open Days. Full information about each event can be found by simply clicking on the Event Title. These can provide excellent opportunities to assist students in making decisions about their after school career and study paths. I recommend that all students take up these opportunities, whenever possible.

Parents can view this excellent site also by asking their child to access their school email account through the Student Portal but, if preferred, I am happy to forward it directly to parents if you send your email account to me at

[connie.stephens@ardell.nsw.edu.au](mailto:connie.stephens@ardell.nsw.edu.au).

Below is one example of some of the great opportunities that are offered at this site. Hopefully, I can assist some of our students to take up such opportunities.

## *From the P&F News: Neile Thompson, President*

Email – [pandf@arndell.nsw.edu.au](mailto:pandf@arndell.nsw.edu.au) Phone – Neile 0414 845 488

This week 20 parents made the effort to attend this term's P&F Meeting, a disappointing turn out – as usual – but even more so this time because last night we had eight of our Yr 12 Student Leaders give the most interesting, informative and entertaining presentation on what life is like as a senior at Arndell – it was just great!

In a fairly relaxed and informal setting each student introduced themselves and gave a brief outline on an area of College life and their place in it. They covered their roles as: a Leader; as a Christian student; as a student involved in Outreach & Hands Up; as a student involved in the Duke of Edinburgh programme; as a student involved in Sport and the varied opportunities offered by Arndell; as a student involved in the many aspects of Music and Performance at the College; and the duties and responsibilities as a Prefect and as a House Captain.

After the Students' individual presentations the parents were free to ask their own questions, and they did – all sorts of enquiries ranging from - how do we get notes home to your parents? ... "don't bother trying – just email directly" ... to favourite subjects?... are there enough subject choices at Arndell? ... what about bullying? ... what would you change about Arndell? ... plus a lot of other questions and topics in between.

This was such a good evening, and such a great opportunity for parents who have students with all this ahead of them, to understand better what your children will experience as they go through to Year 12 and even a bit of a glimpse as to what your child might be like in a few years time.

There is a constant complaint made by parents that there is not enough information given and that the school doesn't communicate enough, well I would suggest that before anyone makes this comment or raises this question that you spend one term making sure you take notice of the information that is given e.g.

- the fortnightly Newsletter (don't just receive it – READ it),
- the fortnightly Headmaster's News Flash,
- the individual Newsflashes highlighting different events and opportunities,
- the notes sent home by the school and the P&F,
- the notice boards and banners and flyers and any other missive that is available
- ask your kids what is going on,
- make sure they bring the information home and give it to you,
- take note of dates and times and topics,
- ATTEND the information evenings and showcases and meetings and performances,
- THEN decide if there is enough information and communication given.

It's there, but you have to make the effort to take it.

**Congratulations** and many thanks for a job well done to Ashleigh Burden, Russell Avery, Amy Mares, BJ Darabi, Cate King, Hayden Collins, Dominic Thompson (pity about the tie) & Nikki Leary .... Hope we can do it again soon!

**Subject: Arndell College Parents' Satisfaction Research Survey.**

Dear Parents,

I am pleased to report that over 100 parents have completed their surveys, making an important contribution to the project and, ultimately, the College's continuing success.

To ensure that we have data and well informed observation and recommendations from our consultants, it is of great importance that we have as many parents as possible completing their surveys, the date for the survey for parents has been extended to Friday 29<sup>th</sup> May 2009.

If you have yet to complete a survey, may I encourage you to do so? It is important that you do not underestimate the importance of the contribution this will make to the welfare of the College and your sons and daughters.

If you have mislaid your survey access information (username, password, etc), or you require the House that your child is in please contact Mrs Barbra Whelan, my personal assistant on 4572 3633.

Finally, may I thank the parents of boys and girls in Yr 1 Blue and Years 9 and 10 for their responses? This class and these Year groups have recorded the highest response rates to date.

If you have any further questions about the survey please don't hesitate to contact our research consultant, Nicholas Guyatt, Head of MMG Education, at [nicholas.guyatt@mmg.au.com](mailto:nicholas.guyatt@mmg.au.com) or at 02 92994470.

Yours sincerely,

James Webb
