## **Family Fun Day and College Open Day**

What a magnificent day – and the crowds???

We are truly blessed with parents who simply go the extra mile for the College. My thanks to the steering committee of the **Fun-Day**; the success is entirely due to you.

The **Open Day** provided new and existing parents with an opportunity to view classrooms, to see students in action and to chat. A variety of comments included 'The technology in the College just blew me away'. 'The Senior Students were wonderfully helpful and so knowledgeable about the College' and 'What a great day, you must be proud of your parents, staff and students'.

My favourite comment was in relation to the hospitality kitchen 'Can I buy one of the bays to take home and does it come with these wonderful hospitality students'?

**My thanks to the staff and the students for their time and commitment.**

I would ask all parents to do the following. If you were here and enjoyed the atmosphere and you visited classrooms and were pleased with what we had done then go out of your way to tell someone about your experiences. You are the people who can encourage others to take an interest in the College.

Enjoy some of the scenes from the day
