From the Acting Headmaster:

Mr James Webb

Year 6 into 7

Parents in year 6 are asked to send in their 'Returning to Year 7' slip as soon as possible so that I can prepare for 2010. Over the coming term, there are a number of activities planned for the Year 6 students to prepare them for High School.

Year 10 into 11

Parents are also reminded to put in their 'Returning to Year 11' slip. This one is a little more complicated. Whilst elective lines are being framed now and students have already completed an 'expression of interest' survey, each student will be interviewed as to their intentions with respect to Years 11 and 12. I am afraid that it may occur that some students, in our opinion, may not be suitable candidates for Year 11 and 12 at Arndell. Discussions with all parties will take place should this decision need to be made.

42nd Street – what a great success

My public thanks to our students and staff for making this a truly awesome musical event. Audience reaction was infectious as was comments during the interval included 'You should be proud of your students', 'What a great show', 'Thoroughly enjoyed ourselves', 'Brought back great memories' and 'Please pass on our thanks for a wonderful evening'. These were just some of the comments from parents, grandparents and the public.

Remember – if you have an idea, an observation, a comment, a concern or a compliment, can I urge you to pass it on? Talk to someone or email someone but let me hear about it.
