From the Acting Principal:

Mr James Webb

Welcome to Term 3.

I trust that all are well and hopefully refreshed from the holiday.

- We have been blessed by the return of Tim Sandell, Year 5 and Jake Carpenter, Year 10. Both boys return from bouts of prolonged serious illness. We pray for their ongoing recovery.
- Speaking with a number of my colleagues in other schools we have been very lucky to have staved off the massive effects of the H1N1 virus – swine flu. May I continue to urge you to make sure that your children to keep up the basic preventions of washing hands, covering mouth and nose when sneezing or sneezing into the crook of the arm and not sharing drink bottles etc.
- There are a large number of events coming up this term. Can I ask that you get behind the College and support these.

College History

Mrs Coralie Richmond, a past staff member, was commissioned by the Chair of the College Council and Dr Goddard to compile a potted history of the College in preparation for our 20th anniversary celebrations in 2010. The book will be launched later this term – more information in the Advocate next week.

Staff News:

In these tough times my thanks to all staff for their ongoing support and in particular to Mr. Harrison for combining his role of Head of Junior School with teaching a Year 5 class.

My thanks to Miss Philomena Smith who was a maternity leave replacement for Mrs. Woodward in the HSIE department. Miss Smith has now moved on to other exciting challenges. She is replaced by Miss Ellen McFarlane for the rest of this term.
