## Farewell lunch and presentations for our Japanese Visitors

## *From The Acting Headmaster:*

*Mr. James Webb*

**Arndell Anglican College to celebrate our 'coming of age' in 2010:  
21 years of hard work and dedication on the part of so many students,  
parents, staff and friends of the College.**

Parents and friends of the College, it seems only yesterday that we opened the College with some 47 students in a variety of composite classes. A great deal of water has gone under the bridge since those heady early days and we have now become a well established Anglican College for the Hawkesbury.

Plans are in motion to showcase the College in 2010 and to welcome back past students and parents. When dates are published please put them in your diary and join us as we give thanks to God for His blessing upon this place. We have been blessed also by the work of a past staff member, Mrs Coralie Richmond. Mrs Richmond has pieced together much of the history of the College and this is to be published and will be launched and on sale at the start of the year.

### **Dr. John Goddard's farewell gift:**

I am sure you will appreciate that some time has passed since Dr. Goddard resigned from the College. He has been overseas with his wife Glenys visiting their daughter. We have now arranged a date for the farewell, which is the 23<sup>rd</sup> of September. Dr. Goddard wants a very simple occasion so in negotiations with him we will have a College Assembly at the end of the day followed by an afternoon tea. If you would like to attend the afternoon tea please contact my PA Barbra Whelan as we will need an indication of numbers for catering purposes. Details will follow. We have arranged a wonderful painting by John Shields and this is on display in the College Board room. We are seeking donations from the parent body for the purchase of the painting. If you would like a viewing or to make a donation, please contact Barbra Whelan.

### **Advertising the College:**

I am acutely aware that not enough is being done, at present, to promote the College. I now have a team of dedicated staff who are pulling out all the stops to 'get us known'. Word of mouth is the greatest advertiser for the College and I encourage you to be advocates for your school. We are considering letterbox drops and are seeking help from those early morning or evening walkers – the fitness fanatics. Consider the following areas: Oakhill, Pitt Town, and Windsor, South Windsor or any other areas that you go walking through.

### **Athletics aplenty:**

It has been a pleasure to attend a number of the carnivals over the past few weeks and to enjoy the high level of competition. Congratulations to all students on your success and especially your support of each other. May I thank the parents who have assisted in the running of the events and to those who came along to support the College. A special vote of thanks to Mrs. Cornick, Sport Co-ordinator, who has done a remarkable job this year in bringing together teams and giving our students every opportunity to compete.

### **Plastic Lunch Bags and Wrappers:**

This plea is from a frustrated Acting Principal.

Do you really need to put your children's lunch in non bio-degradable plastic?

Do you ever re-cycle these bags or wrappers or do I need to continually pick them out of the gardens?

What is it that you expect from your children with respect to litter? Do you encourage them to do the right thing?

I have been working very hard with the staff this year in ensuring that students use the

garbage bins provided but the plastic problem is becoming too much. Help us to keep the College clean and tidy by not sending your children with plastic lunch bags, wrappers or bottles. Let us reduce our footprint on the world.

Have a great weekend.

*James Webb*

## *From the Head of the Junior School: Mr. Rick Harrison*

Some of our year six students had the idea of supporting the RSPCA for their "Cupcake Day" this week, so a cake stall was held on Monday. Those involved were certainly very active organising and preparing (perhaps it was just a ploy to get out of classwork!) on the day. A total of \$329.15 was raised for the RSPCA. A job well done by all of those involved.

We are looking forward to welcoming our grandparents to the College for our annual "Grandparents' Day" next Friday, 28<sup>th</sup> August. As usual the grandparents will start their time in the classrooms. Lunch will be provided courtesy of the P&F.

The Junior School has been very active with sport this term with athletics carnivals with both CSSA and HZSA as well as various Gala Days and Years 5 and 6 involved in Netball, Soccer, Touch Football and AFL every Wednesday. I have been very impressed with the reports that I have received about both the performance and the behaviour of our students whilst at these events.

Enjoy your weekend.

## *From the College Chaplain: Rev. G Sedorenko*

### *Weigh it up! Why would someone want to be a Christian?*

Hi Everyone

There are many things that cause people to begin to search for meaning and purpose.

People have turned to Jesus because of financial trouble and desperation. Some have turned to Christ because others have told them of His loving actions on their behalf (crucified so that they could be forgiven of all wrong doing and be welcomed into Jesus' eternal kingdom). Others have turned to Christ because of a long search and within that search discovered that the Bible is a reliable document. They could no longer deny the validity of the Bible and the truth that it reveals - Jesus Christ is risen from the dead.

I became a Christian because the benefits far out weighed what I had without Jesus. At 22 life was full of fun and excitement, travel, surfing and partying but for what it was worth, "the lifestyle" never delivered the security that Christ did. Jesus and his purpose helps a person put everything into perspective, and I mean everything. Whether it be the good, the bad, the ugly and even the down right stupidity of evil we see and sometimes experience in this world – all becomes much clearer.

Perhaps the question I should have asked is: "Why wouldn't you become a Christian?"

There are a variety of reasons why people do not follow Jesus; however, many people do not even take the time to sit down and establish why they should or why they should not. Many never consider the pluses and minuses of following or not following Jesus.

Weighing things up for yourself brings a benefit in itself. Imagine if you checked it out and discover something far more real than you could ever imagine, it would make it all the more worth it. However, a no response cannot bring any benefit if there is one to be gained. Check out 1 Corinthians 15:16-19.

<sup>16</sup>For if the dead are not raised, then Christ has not been raised either. <sup>17</sup>And if Christ has not been raised, your faith is futile; you are still in your sins. <sup>18</sup>Then those also who have fallen asleep in Christ are lost. <sup>19</sup>If only for this life we have hope in Christ, we are to be pitied more than all men.

<sup>20</sup>But Christ has indeed been raised from the dead, the first fruits of those who have fallen asleep. <sup>21</sup>For since death came through a man, the resurrection of the dead comes also through a man.

To hear more about the wonderful nature of the living God and the freedom from guilt that Christ delivers why not come to the Pitt Town/Arndell Community Church that meets each Sunday at 10.15 am in the auditorium.
