

# ***Family Fun Day/Open Day this Saturday***

## ***12 – 5pm***

### ***Last minute things to do***

If you have made any **craft items** for our “Sew Wot Mum” stall please bring them into school this week, they can be dropped into the front office clearly marked “Sew Wot Mum”

**Plants** can be brought to school on Friday and placed near the student Services area on the grass.

Could we all take a **cake tray** from Student Services and fill it up with homemade cakes, slices or biscuits and return that to school on Friday morning or bring it to the fete.

Thank you to those parents and teachers who have already put their hand up to help, however we can still use some help on the day. High school parents can you please help out on the BBQ or the “Toasty” stall?

***We hope to see you at our Family Fun Day/ Open Day this weekend***
