

Parents and Students, Year 10

Reminder

**Year 11 Information Evening, 2010
in the Performing Arts Auditorium
Wednesday 21 July
7:30pm**

This is a most important evening for parents and students alike. In the next day or so, students will have received the subject choice booklet, which will help guide their subject choices for Year 11 next year. But many questions remain:

- How does the HSC/ATAR work?
- What are subjects like – especially the ones not done in Years 7-10?
- What pre-requisites are there for tertiary courses?
- What is expected of senior students at Arndell?

Come along to find out the answer to these and many more questions and to discover how rich the life of a senior student at Arndell can be.

There will be plenty of time for Questions and for individual consultation with key staff.

We look forward to seeing you on July 21.

Mrs Lynn Gillen
Director of Studies
