### **Note for students and parents in the High School.**

#### **Hats:**

**Girls:** The High School Girls Sun Hat is available from the Uniform Shop. This is to be worn for sport, at recess and at lunch. If a student still has the 'formal' college hat this may be worn at recess and lunch providing it is presentable. If a student still has a base-ball cap this may be worn for sport, however we do not feel that this adequately protects the student from the sun.

**Boys:** The Boys Slouch Hat is used for Sport, Recess and Lunch. If a student still has a base-ball cap this may be worn for sport, however we do not feel that this adequately protects the student from the sun.

**Please Note:** Base-Ball caps are no longer available for sale. Students are not required to wear a hat to or from College.
