Dear Parents / Guardians

Re: Parent / Teacher Consultations: Term 1

On Wednesday 30th and Thursday 31st March of Week 9, the Junior School will be hosting its preliminary Parent / Teacher Evenings for 2011. In the vital context of the Junior School's partnership in learning with you as your child's parent/ guardian, you are invited to take this opportunity to discuss the progress of your child with his / her teacher. All parents/guardians of Prep to Year 6 students are actively invited to attend.

For the parents / guardians of all students K-6, the sessions on both Wednesday and Thursday, will begin at 3:45pm, with the final session at 7:45pm. All sessions are set for a 10 – 15 minute period. Separate details of the sessions for Prep can be found below.

Please also note that if your child is currently taught by a teacher other than his/her class teacher for Mathematics, and you wish to consult with that teacher re: your child's progress in Mathematics, then please do communicate with him/her directly in order to make an appointment at a mutually convenient time.

Please kindly confirm your availability to attend this term's Parent / Teacher Consultations at Arndell College Anglican Junior School, by telephoning Student Services on 4572 3633, where Mrs Bonny Davies or Mrs Leigh McGowen will process your request.

Partnership with parents / guardians is a term we take very seriously at Arndell Anglican Junior School and you are warmly invited to take this opportunity to participate in this specially allocated time for sharing information and insight.

We will look forward to meeting with you!

Yours sincerely

Rev Keith Peterson

Head of Junior School
