

# ARNDELL ANGLICAN COLLEGE

*"News Flash"*

## *From the Headmaster:*

For the past eighteen months we have been working hard to develop a deep and well grounded community at Arndell Anglican College and over the course of the last week I saw two examples of how far we have come as a college community.

Last Wednesday almost forty Junior School students travelled to All Saints College, Bathurst to compete in the HICES Cross Country Carnival. It was a fantastic day and the students excelled, we finished 5<sup>th</sup> in Division 1 and 3<sup>rd</sup> on the point score tally. The point score tally is based on the size of the school and how well their students performed in the relation to our size. This is an improved position from the previous year. Not only that but six of our students were selected to represent the HICES team at the upcoming CIS Carnival – this is a significant improvement from the two who were selected the previous year. The clear reason for this improvement in performance has been the way the college community has supported new initiatives such as the PB Running Club. Mr Walker has done an excellent job in organising this activity and what it shows is when students display commitment and discipline they can achieve things they initially thought they couldn't. We now look forward to 2012 and next year's carnival.

On Saturday we hosted our annual Family Fun Day and what a day it was. The P&F Committee led by Mrs Rachel Aldacour and Mrs Jo Self did an excellent job of organising the event and it was a rounding success. The weather was fantastic and this encouraged the biggest turn out of people we have had in years. A great deal of money was raised on the day but what was more important was the real sense of community that was felt by all of those who attended the day. The enjoyment of the children as they rode the rides, the chance for staff and parents to mingle and chat combined with the overall sense of fun clearly shone through. Over 40 tours of the college were arranged and a great deal of interest was shown in the college from members thinking of joining our community. But this great day would not have become a reality if the community did not band together to make it happen – so a big thank you to you all for supporting Rachel, Jo and their team on making this day so good for us to enjoy.

**Just a reminder to parents of Year 10 students that we will be  
hosting our
