

ARNDELL ANGLICAN COLLEGE

"News Flash"

Monday 22 August 2011

From the Headmaster:

At our most recent meeting of the P&F Association I presented to those there our college strategic plan and future vision for the college. The Vision and Values statement was released in the first newsletter this term, but I thought I would follow this up by providing the rest of the college community with a quick overview of the operational plan which was presented at the P&F Meeting.

Over the course of the next three years the following seven areas of college life will be systematically reviewed and improved upon under the leadership of the college executive:

- **School Planning Infrastructure**
Strategic and Operational Plan, Organisational Chart and Role Descriptions, Communications Plan, Business Plan, Marketing and Branding Plan, Governance Risk and Policy Plan
- **P-12 College Protocols**
Senior School Protocols, Junior School Protocols, Administration Protocols, Timetable, Technology and Edumate
- **Staff Learning and Development Strategy and Protocols**
Induction, Staff Welfare, Mentoring, Professional Culture, Development and Appraisal Plan
- **P-12 Christian Living and Leadership Strategy and Protocols**
Disciplemaking, Christian/Biblical Studies Curriculum, Christian Living and Leadership Model and Structures, Christian Living and Leadership Development
- **P-12 Learning Strategy and Protocols**
Curriculum, Pedagogy, Assessment, Literacy, Numeracy, Library, Creative Arts, Early Childhood, Learning Environment, Co-curriculum
- **P-12 Student Welfare Strategy and Protocols**
Welfare Plan, Pastoral Care System, Student Data, Primary/Secondary Transition
- **P-12 Student Services Strategy and Protocols**
Counseling, Learning Support, Gifted and Talented, Careers and Vocational Education

This plan will require us to undertake a complete overhaul of most aspects of college life with the desired outcomes being improvements in our educational performance. You can view the powerpoint presentation I made by going to 'Our School' on the website and click on Policies and Reports.

Also at the meeting Mrs Donna Pellew offered her resignation as Chair of the P&F. Her decision to resign is part of a process that will allow the AGM to occur in Term 4 of this year thus enabling a new executive for the P&F to be elected in readiness for 2012. The P&F is an important part of our college and if you feel called to assist in this area of the college then please consider nominating for one of the positions. More information regarding the election process will be released before the end of this term so proper elections can be held.

We are officially registered for the **'Coles Sports for Schools' 2011 program** – once you have collected your Coles, Coles Online, Bi-Lo or Pick 'n' Pay vouchers, simply drop into Student Services and place them in the box.
