

ARNDELL ANGLICAN COLLEGE

"News Flash"

Tuesday 8th November 2011

On behalf of the Headmaster: Mr Gareth Leechman

Staff Appointments 2012

Over the past few weeks, in conjunction with key staff I have been interviewing a series of very good candidates to fill a variety of positions we have in 2012. I am pleased to announce to the college community the following appointments:

Miss Sylvia Mitchell has accepted the position as our music teacher for 2012 and beyond. For the past four years Miss Mitchell has been teaching music at SCEGGS Darlinghurst and Ravenswood School for Girls. She comes highly recommended from both schools and the only reason she has not been able to stay with either school is that they do not have a full time position to offer her. Miss Mitchell is a committed Christian who currently attends the evening youth service at Gordon Uniting Church where she assists with the music and she also attends a weekly bible study on a Monday night.

Ms Tiffany Webster has accepted the one year position as our Food Technology teacher for 2012 and she is an experienced teacher from Pacific Hills Christian School. Ms Webster worships through the Salvation Army at Ryde and she will bring a great deal of administrative, pastoral care and teaching experience to the role.

Mrs Rachel Gijbers has accepted the one year Geography position for 2012. Mrs Gijbers currently attends St Andrew's Anglican Church Roseville and not only has very good experience in teaching a variety of HSIE subjects she also has a background in Outdoor Education. For the past six months Rachel has been teaching at Oxford Falls Grammar School in the HSIE Department.

Miss Ashley Patterson has accepted the one year contract as a PDHPE teacher for 2012. Ashley is an ex student and House Captain from Arndell Anglican College. Miss Patterson is well known to many people within our community and I am looking forward to seeing what her energy and enthusiasm will bring to the PDHPE Department and the college in general.

Ms Megan Bryant has accepted the one year contract as a HSIE/Art teacher for 2012. Ms Bryant has been doing a great deal of casual work for us over the past two years and she has a very good understanding of the college, its ethos and where it is heading.

Mrs Tracey Morris has accepted the one year contract as an English/History teacher for 2012. Mrs Morris is a former journalist, has worked as a teacher's aide at Pennant Hills High School for several years and has just recently completed her teaching qualifications from the University of Technology Sydney. Mrs Morris has a long tradition of Christian service at St Stephen's Anglican Church Normanhurst, where she has been an active parishioner for the past thirty years.

I feel that Arndell has been blessed by the quality of people who have been applying for positions here and I am excited to see what all of these candidates will bring to the college in 2012
