Meet the Tutor 2012

Dear Year 7 Parents,

On Wednesday 15th February at 7.30 pm you are invited to 'Meet the Tutor'.

This is an opportunity for parents of new students in the Senior School or parents of new students to the College to meet with their child's Homeroom Tutor and Head of House. It is an opportunity to hear how things are tracking and to ask any questions that may have cropped up since the beginning of the year.

The evening will run as follows:

Welcome - Head of Senior School and Headmaster

Julie Nixon – College Counsellor – Resilience and your child

Meet with Head of House

Meet with Homeroom Tutors

What you need to do:

- Ensure you know which House your child is attached to
- Ensure you know the name of your child's Homeroom Tutor

The evening should not last more than an hour however in the past we have found this to be an invaluable time of sharing.

I urge you to come along to the first of a number of evenings throughout the year.

Yours sincerely

James Webb
Deputy Headmaster / Head of Senior School
