Mr Gareth Leechman

5 Reasons to come to the Family Fun Day!

With the Arndell Anglican College Family Fun Day only a matter of a week away I thought it would be fitting to remind our college community why it would be such a good thing for us to support this excellent event. So here are five reasons why I think the event is worth supporting.

1. **It is a great way of building community.** At the heart of a great school is a great community and your presence on the day will be a strong indication as to how great a community and college we are going to be.
2. **It is a major fundraiser for the P&F.** The P&F this year have committed to raising funds for cricket nets, more seating around the college and the capacity to support further IT developments in the college. This involves quite a bit of investment and this will only be achieved if we are willing to support events such as the Family Fun Day. So come on down, grab yourself a bargain, have a bite to eat or a turn on the rides.
3. **It is the College Open Day.** Each year we combine the Family Fun Day with the college Open Day and this is a way of showcasing to prospective parents what the college has to offer. As a result of this combined event we enrol new students to the college as well as highlighting to existing parents what a great place Arndell is. So bring a friend and show off to them what Arndell might have to offer them and their family!
4. **You'll have a great time.** God willing, we will have lovely weather for the event and with the current state of the grounds being so good how can one not but have a good time. While you munch on your toasty and sip your coffee, the children will be running rampant around the college grounds visiting the jumping castle, playing mini golf, having a go at the lucky dip or trying to smash each other on the dodgem cars.
5. **What else would you be doing?** Relaxing at home, reading a book, watching television, having an afternoon nap.

Sounds a little **BORING** to me so get yourself down to the Family Fun Day and support the work of the P&F and the College as we seek to make 2012's Family Fun Day a great one.
