On behalf of the Headmaster
Mr Gareth Leechman

I hope you all have had an enjoyable and relaxing break, I know I certainly did! My family and Mr and Mrs Webb had the distinct pleasure of taking 21 high school students to Paris and the Western Front for two weeks. The students were excellent ambassadors for the college and we all thoroughly enjoyed the chance to explore one of the world's greatest cities and areas of Belgium and France that saw some of the bloodiest fighting of the First World War. It was a wonderful experience and I know that the students really appreciated the opportunity to explore these places and learnt a lot from the history that surrounded them. I have no doubt that they will have many stories to tell their family and friends over the coming weeks.

This term we welcome back Mrs Allen from maternity leave to the Learning Support Department and we also welcome Mrs Baker to the Science Department as she undertakes six months casual work with the department. I look forward to the contribution that they will make to the college over the course of this year.

At the end of last term reports were distributed to students and for those who were not at school on the last day parents were able to pick up their reports from the college. Most reports have now been picked up and this is pleasing to see, however a few reports do remain so if you have not got your report they are still available for collection from the reception desk of the college.

Term 3 is going to be another busy term especially for our Year 12 students who will be completing their preparation for their HSC exams. I look forward to all that this term will bring and may I remind our college community that the college Equestrian Carnival is held at the end of this term on Saturday 22nd September.
