The Newsletter of Arndell Anglican College

From the Headmaster: Mr Gareth Leechman

Last weekend I was able to spend time with over 200 other Anglican School Principals, Chaplains and School Council Members at the annual Anglican Schools Australia Network Conference held in Darling Harbour, Sydney. It was a wonderful time for us to reflect on what we are all collectively trying to do as Anglican Schools, under the theme of *Renewing Minds, Changing Lives*. What continues to encourage me, is that though each of our schools serves a different community within Australia (and in the broader world, as we had several international visitors attend the conference), we are all trying to achieve similar outcomes for the students under our care.

Firstly, we all seem to recognize that each child that attends our Anglican schools is special to us. We believe that regardless of their academic, cultural, emotional or physical ability they are a gift from God to our community, which requires us to educate and nurture them to become the people they have been created to be. This is wonderful privilege that requires us to take our role as Christian Educators seriously; a role that is a vocation rather than merely as a job.

Secondly, we all believed that we should be striving for excellence within the various educational settings that our schools exist. For some that will be academic excellence, others will be pursuing cultural excellence, whilst others will possess a strong emotional or pastoral position as they strive to encourage their students to strive for excellence. For some it will be the pursuit of physical excellence that will be their dominant point of difference. The reality is that for many of our schools the pursuit of excellence in all four of these areas is what drives us, as we serve the communities under our care, and I would suggest this is what we are striving for here at Arndell Anglican College. These ideas can be clearly found in the College's Ethos and Values statement we published last year.

Finally, I think all of the Anglican Schools at the conference were all striving to challenge the students under their care to think about, and engage with, the Christian Faith. It was this Faith basis that many of us saw as being the significant point of difference from other more secular educational institutions who also offer a strong 'liberal' based educational experience. Our students' ability to engage with a logical and robust discussion about the Christian Faith provides them with an opportunity to explore a world view which connects them to their Creator, and gives them the opportunity to fully appreciate the world in which we live.

An Anglican education therefore, to me, is about appreciating each child individually, seeing each child under our care flourish and become the people they were created to be, and about giving them a strong faith basis from which they can build the rest of their lives. I know I came away from the conference having my mind reinvigorated and with a renewed desire to change the lives of our students here at Arndell Anglican College.

FROM THE HEAD OF JUNIOR SCHOOL: Rev. Keith Peterson

Week 5 at the Junior School will be a very full one indeed!

Firstly, Week 5 is Science Week! This year the Junior School began to implement a new, hands-on, investigative and interactive Science Program, 'Primary Connections'. Developed in partnership between the Australian Academy of Science and the Australian Government Department of Education, Employment and Workplace Relations, 'Primary Connections' focuses on developing students' knowledge understanding and skills in both science and literacy. And it does so in a way that is open-ended and evidence based – with students creating hypothesis, calculating variables and explaining conclusions in the real way of all real scientists. 'Primary Connections' is about learning the processes of Science by actually doing and experiencing science. It is delivered across the Junior School to a teaching and learning style that is both live and lively!

We will be setting 'Primary Connections' at the centre of our approach to, and celebration of, Science Week 2012. Our classrooms will be full of group investigations, experiments, discussion and analysis. There is a warm and open invitation to all parents to join in by attending our Primary Connections Information Evening on Wednesday 15th August at 6:30 – 8:00pm in the Junior School Library. This will be a time to learn more about the course – but also in the true investigative spirit of its approach, to have a go at exploring its hands-on approach as we try some inter-active scientific work-shopping together. It'll be an Information Evening with an open and enthusiastic smile! Please do come and join us if you are able.

And of course, Week 5 concludes with the Junior School's annual Grandparents and Special Friends' Day. Here again, many of our Open Classrooms will be focusing on Science. A Junior School Science Display will also be available for view in the Junior School Library.

Grandparents and Special Friends' Day is always a great occasion at Arndell Anglican College Junior School. But really, how could it not be when it celebrates such very special people with a unique place in the hearts of so many of our children?

Do Grandparents Rule OK? Probably! And certainly we hope they will on this, their special day, at Arndell Anglican College Junior School!

Every blessing!

Reminder: from Mr Refalo

Senior School Camp notes are now overdue.

To allow student numbers to be finalised and confirmed, completed camp permission notes are now due in immediately. Please be reminded the Senior School Campus will be closed during camp on the 19th, 20th, 21st September 2012. Senior School Camp is a mandatory part of the Arndell College Curriculum and students requiring leave must apply in writing to the Headmaster prior to dates above.

Copies of all information, and the permission note, can be found on the College Dashboard

CONGRATULATIONS TO IAN FINN

Arndell Anglican College values how students learn and we are making the teaching and learning relationship a prime goal. One of our history teachers was recently nominated for the Teachers' Guild of NSW award for excellence in their early years of teaching.

Mr Ian Finn was nominated by the College. It meant not only is he an outstanding practitioner but his nomination had to be supported by a thousand word submission by him. The submission covered why he wanted to teach, where he said he, "enjoyed building a rapport with students, teaching structured and organised lessons, and creating a positive learning environment." Mr Finn said he established this by, "creating a classroom that students enjoy coming to, where their achievements in learning are displayed." His response to the question relating to contributions already made to the profession include being involved in the "broader life of my school, the design and implementation of a New Teachers' Induction Program, the Pastoral Care Program of the school and co-curricular support." His future plans for professional growth include that he, "would thoroughly enjoy the opportunity to become heavily involved in the area of staff welfare and teacher development."

The College is proud to hear that from the twenty finalists across the state, one of our nurtured teachers has been runner-up in this prestigious award. He is to be congratulated on this fine achievement, and will be receiving his 'Certificate of Excellence in Teaching' at an awards ceremony.

Mr Jim Milford – Director of Teaching and Learning, congratulating Ian Finn on his achievement.

ART SHOW REVIEW: Mrs Kym Sanders / Miss Megan Bryant

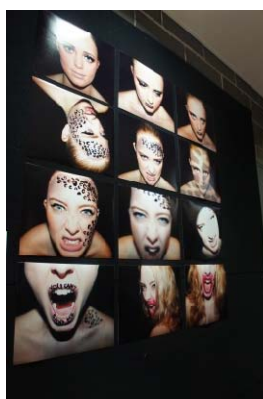

On Thursday the 26 July Arndell hosted its first annual art show with great success, showcasing the artwork of students in Visual Arts from years 7 -12. The show exhibited a fantastic range of diverse mediums, representing the hard work that the Visual Arts students undergo at Arndell.

The Year 7 and 8 works displayed a wonderful mastery of the ceramic medium. After their study of the life and work of Picasso, Year 7 showcased their understanding of Cubism through their bright and intriguing ceramic masks. Year 8 represented their exploration of nature in the production of a functional clay oil burner.

The elective art students in Years 9 and 10 showcased the wide range of mediums and concepts they have studied in their developing artistic practice. Year 9 presented a series of bright and compositionally interesting lino prints, while Year 10 exhibited their exciting and thoughtful video art, demonstrating the creative and energetic ideas they brought to the medium. The Year 11 artworks revealed an in-depth study into particular cultural issues, communicated through a variety of printmaking media.

The Year 12 Visual Arts students showcased the product of a year's worth of artmaking in the development of their HSC Bodies of Work. It was a wonderful display of the final product that students have been working through in their senior year, dealing with issues such as identity, mortality, transformations and the world that surrounds us.

It was a great night that displayed all the wonderful work that students engage in during their studies of Visual Arts, and are to be very proud of all they have achieved. Many thanks to those who came along and made the night so wonderful.

SEWING/ CUTTING WORKING BEE

Saturday 18th August

1pm – 5pm

We are having a working bee this Saturday 18th August in the Common Room at the College to cut out and sew the costumes for the Junior School Musical.

We have 250 costumes to assemble so we would love to have as many helpers as possible.

If you can spare an hour or two on Saturday to come and help cut out or sew,
we would love to see you!

Please email me at Helva.miller@arndell.nsw.edu.au if you are able to help out on this day.

SENIOR SCHOOL ATHLETICS CARNIVAL: Miss Megan Southwell – Head of PDHPE

This year students in Year 10 PASS completed write-ups for the newsletter. Three were selected to be included and they appear below. In this edition you will also find New Records, Age Champions, Final Placings and Point Scores.

What a Great Day Out!

The 19th of July saw a great day out at Blacktown Olympic Park! The Senior School Athletics Carnival was a huge success and the students of Arndell Anglican College should be commended on their great efforts.

The Athletics Carnival saw the four senior school houses - Macquarie, Johnson, Greenway and Tebbutt - bidding against each other to win the coveted title of 2012 Arndell Anglican College Athletics Champions.

There were also countless outstanding individual performances, with 9 records being broken through the likes of Natalie Otten, who broke a tremendous 6 records, Nathaniel Goldrick, Joel Brennan and an exceptional team display from the Macquarie Junior girls who broke the previous relay record.

The day started well, although the brisk July wind was taking its toll on the competitors. The cool morning brought the first event, the 1500m, which saw 30 students take the track.

Throughout the day, the participation level of all the students in the College was extremely admirable, from the start to finish, with everyone on their feet for the final events, the relays. The highly suspenseful finish line was crowded with spectators eager to await the winning Houses. Most Houses grabbed a win in at least one of the relays, producing a great, even end to a wonderful day.

Overall, the athletics carnival was a tremendous outing that Arndell Anglican College should be accredited due to their efforts. Also huge thanks go out to the volunteering parents, students and staff who were great in helping out their community.

Oscar Borton.

“Another successful carnival with high participation, great sportsmanship and year 12 superheroes”

Megan Southwell (Event Manager)

The Senior School Athletics Carnival turned out to be an amazing event. The weather was set to be raining on Thursday 19th of July, but the courageous and strong willed Arndell Anglican College senior students were ready for anything.

Arriving at Blacktown Olympic Park nerves and excitement of the students was on a high. Rivals were meeting today and the competition rate was hard to compete with. Congratulations to Natalie Otten who broke 6 senior girls records, Nathaniel Goldrick who broke a 15 years boys record, Joel Brennan a 14 years boys record and to the Macquarie Junior girls Relay team for breaking the junior girls relay.

The relays are always the best part of the day for me as it brings all the students together to cheer on all their team mates in their House. Lots of sportsmanship was shown. The Year 12s had a costume day and their theme for the day was superheroes and they competed in many crazy and unique costumes; a wonderful way to finish off their last carnival of their schooling. Good luck for the future.

Thank you to all the parent helpers for lending a hand on the day and for taking the time out of your day to come and encourage our students in achieving their best. Thank you to the staff on the day for all your help in timing and recording, and especially to the students for your participation and behavior on the day - well done!

Isabella Love.

It was a cold winter morning as Arndell Senior School set out to Blacktown Olympic park. The mood was just right as a sea of green, blue, red and yellow stormed off the buses in great anticipation for the day ahead. The stands in the Olympic park filled with students, parents and staff. The day kicked off with a quick speech by Miss Southwell. Then it began - students bustling around trying to get to the event first. Everybody got in and participated in something. However there were a few standout performances with Natalie Otten blowing 6 records out of the water. Also Nathaniel Goldrick absolutely hammering another record. Joel Brennan also beat a record and a brilliant team effort from the Junior Macquarie girls beating the record for junior relay. The day's weather was outstanding after the cool morning breeze lifted and left us with a beaming sun and a fun filled day ahead of us. To finish it off was the relays when every House came together and cheered on their teams hoping that they could bring it home for the win.

Equestrian: Mrs Laura Thorpe Equestrian Co-ordinator

Just a quick reminder that our Equestrian carnival is coming up on Saturday 22nd September.

A BIG request for students & parents to assist on both Friday 21st to set up and on the day. As with all major carnivals the more helpers - the easier the day. If you are able to assist in any way please complete the flier attached. The carnival is not only a fun experience for your children, but also one of the largest fund raisers for our school.

A decision made in 2011 is a pre-requisite for attending our yearly excursion to the CDI; that either a parent or student has assisted throughout the year in some manner or form, as well as the usual requirement of having represented the school at an equestrian event. Please keep this in mind.

Again, we are having a Guessing Competition; booklets will be going out to all students in the next few weeks, so keep an eye out. Fantastic prizes again: first prize is camping gear donated by Blackwolf, second prize is a golf package donated by Riverside Oaks and third prize is 4 Laser Tag tickets. There are also many more prizes.

Remember that the Camden Equestrian Carnival is taking place on Saturday the 8th September and program includes hacking, sporting and show jumping for all grades and abilities. This is a great event, that can be used as a warm up for our own carnival. Entries close on the 24th August and can be found on www.camden-h.schools.edu.au Also, please remember, that if your child is wanting to compete at an interschool event, email equestrian@arndell.nsw.edu.au prior to entering.

Equestrian Meeting

A meeting will be held on Thursday 23rd August 9am in the Mears Senior Library. We welcome any ideas or expertise that anyone may have that would benefit our members and the College. This is a great opportunity for anyone that has a business and would like to advertise in the equestrian program Please feel free to contact me for more details or drop in to the meeting.

Congratulations to Marnie Clapham who has been awarded a NSW State Young Rider Dressage Scholarship. She competed in the 15 yrs & U category and scored 74.5% for the Young Rider Dressage test. It was the highest for all Under 21 years. .

Book Week Parade

Date: Tuesday 21st August 2012

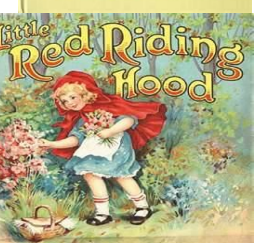

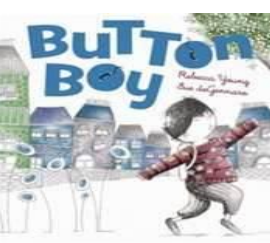

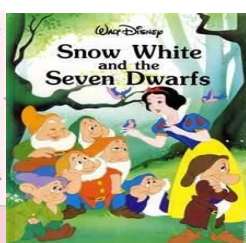

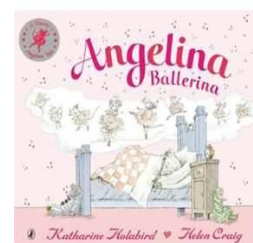

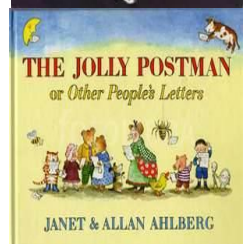

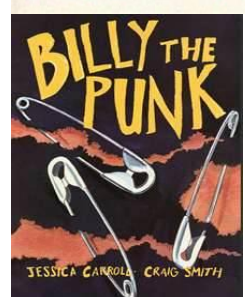

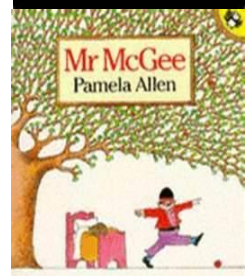

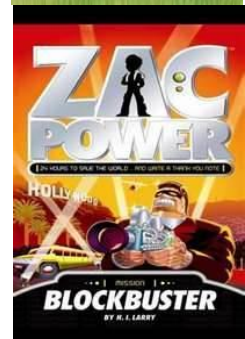

Book Week is coming to Arndell Anglican College Junior School!

To celebrate Book Week the Junior School will be holding a Book Character Parade.

Each child is invited to come to school dressed as their favourite book character.

A special morning assembly will be held for parents and students at 8:45am on the Junior School basketball court.

We hope that as many students as possible can dress up and participate in this fun activity to help celebrate Book Week.
