19 December 2012

Dear Parents,

On behalf of the Arndell Anglican College Community I would like to congratulate our Year 12 students on achieving a very pleasing set of HSC results. The results that have been achieved reflect the comprehensive nature of our students, but as we analyzed their results, it became apparent that so many of our students achieved 'personal best' scores.

The following subjects all had students achieve Band 6 results (the top band in the HSC):

Community and Family Studies, Drama, Advanced English, Modern History, Music 1, PDHPE, Senior Science, Society and Culture, Textiles and Design, French Beginners and Hospitality, History Extension also had a student able to achieve an E4 (or top band result).

65% of the HSC results were located in the top three bands for 2 unit subjects and 65% of Extension subject results were located in the top 2 bands. These results were an improvement on our 2011 results and reflect the hard work that so many of our students displayed over the course of their final two years of study.

Tomorrow the ATAR results will be released and when we have an accurate indication from the students as to what they have achieved we will inform the college community accordingly.

Once again I congratulate all of our Year 12 students on what they have achieved. At the start of Term 1 2013 a comprehensive summary of our 2012 HSC performance will be provided to the college community.

Best wishes for an enjoyable Christmas.

Mr Gareth Leechman
MA MEd MACE MACEL
Headmaster
