

Head of Sport

Mr Gordon

Welcome back to 2013. May I take this opportunity to introduce myself as Head of PDHPE / SPORT. We have had some restructuring take place and are moving toward a P—12 focus at Arndell.

What I would like to do is implement the Arndell 'Sports Scene', which will essentially be another communication tool to keep you informed about what is happening in the world of sport at Arndell. Our hope is that you find it informative and a useful tool in your planning.

We have some exciting new initiative for the year ahead. Some of the things students can look forward to:

- Accredited Coaching Sessions
- Intra-school House Sports Competition weeks
- New methods of Communication (we are investigating using a SMS text system to remind students and distribute important information regarding students direct to their own phones. More information will follow in the course of the next few weeks.

We are in the process of a major revamp of the School Website. Once this transition has occurred you can expect to see regular weekly updates of sports action from the school community there as well. So you can grab the information from the website or the news flash. Both will carry much the same information.
