

Head of Sport

Mr Gordon

The term continues to move along with a number of sporting activities. In consultation with Mr Leechman, I have decided to implement the use of an SMS service to keep students informed by alerts and reminders with the goal of keeping students organized and up to date.

The collection of student phone numbers will be purely for communication purposes and will not be used for any other means or given to students at all. Students when signing up for sports will be asked to supply their mobile phone numbers which will be stored on a website database using the service www.smsbroadcast.com.au.

I believe this offers students and parents a number of advantages:

- inform students of last minute cancellations / forfeits
- Remind them to bring permission notes / equipment
- Inform of time and venue changes
- Efficient form of communication delivery
- A reputable company and use of a system designed for communication purposes.

Should you have any concerns please contact me at enquires@arndell.nsw.edu.au.

It was fantastic to see so many students getting in the pool and doing their bit for their house. Despite many students giving their best efforts, participation continues to be something that we will continue to work towards improving.

Competition was strong and we had some very close races on the day. I am really looking forward to seeing what our swimmers can do at the Hills Zone Swimming Carnival on the 5th of March. Students representing the College will be notified during the week. The battles for Age Champions was in many cases very tight, however after checking and double checking our results I am pleased to announce the following Age Champions and Runners Up.

Swimming Carnival Manager

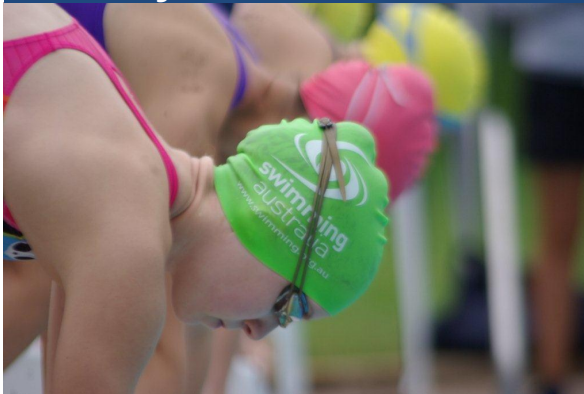

Miss Patterson

The number of parents and guardians who were willing to volunteer their assistance was overwhelming and a real credit to the sense of community that the College exhibits. It was also wonderful to see the amount of spectators eager to support their children on the day.

On behalf of the College I wish to thank Mr Carter and Ms Jarvo for volunteering as Swim NSW officials and Mrs Carter for getting the event approved with Swim NSW. Their involvement enabled the times from the carnival to be officially recognised and greatly assisted with the efficiency of the event. Furthermore I wish to acknowledge the efforts of the teachers who so eagerly fulfilled their duties on the day. The success of the carnival is a real credit to the teamwork and dedication they showed.

The winning House will be announced at Assembly.
